INTRODUCTION

It has long been the intent of the federal judges in Kentucky to make the practice of law in the federal courts as simple and understandable as possible for the Kentucky federal practitioner. While no federal statute mandates uniformity, the United States District Courts for the Eastern District and Western District of Kentucky promulgated Joint Local Rules in 1986. The 2015 revisions of the Joint Rules reflect the Joint Local Rule Commission's desire to ensure continuing continuity, clarity, and modernity in these Joint Rules.

The members of the Joint Local Rules Commission who participated in the revision and editing process are as follows:

Brian Haara, Esq., Chairman, Louisville, Kentucky
Honorable Joseph H. McKinley, Jr, Chief Judge, Western District of Kentucky
Honorable Karen Caldwell, Chief Judge, Eastern District of Kentucky
Honorable Danny Reeves, Judge, Eastern District of Kentucky
Honorable Hanly Ingram, Magistrate Judge, Eastern District of Kentucky
Honorable Lanny King, Magistrate Judge, Western District of Kentucky
John Sale Gordon, Esq., Owensboro, Kentucky
John Patrick Grant, Esq., Lexington, Kentucky
Clark C. Johnson, Esq., Louisville, Kentucky
Joseph Lane, Esq., Prestonsburg, Kentucky
Charles G. Middleton, III, Esq., Louisville, Kentucky
Randy Ream, Esq., Louisville, Kentucky
Kelleene Ann Schoening, Esq., Crestview Hills, Kentucky
Mark Whitlow, Esq., Paducah, Kentucky
Vanessa L. Armstrong, ex officio, Clerk, Western District of Kentucky
Robert R. Carr, ex officio, Clerk, Eastern District of Kentucky

The Judges of the Eastern and Western Districts of Kentucky are grateful to the many lawyers who have worked on the Joint Local Rules Commission and for their ongoing efforts in the review of the Local Rules of Court. The invaluable contribution of these lawyers has made for the success of the Joint Local Rules Project between the Eastern and Western Districts.

Comments and suggestions for the improvements of the Local Rules should be directed to a Clerk of Court for the attention of the Joint Local Rules Commission.

JOINT LOCAL RULES OF CIVIL PRACTICE

LR 1.1 **Scope, Purpose and Construction**

These Joint Local Rules of Civil Practice for the United States District Courts for the Eastern and Western Districts of Kentucky provide standardized procedures for the convenience of the bench and bar. These rules do not eliminate the statutory distinction between the United States District Courts for the Eastern and Western Districts of Kentucky.

LR 3.2

Assignment of Actions to Jury Division

- (a) **Generally.** A civil action may be filed in any division courthouse. Civil actions are assigned to particular jury divisions as follows. In the event of improper assignment, the case will be transferred to the correct jury division. The validity of the filing is not affected by the Clerk's improper assignment.
- (1) **Defendants in Same Division.** If all defendants reside in the same jury division, the case is assigned to the jury division where all defendants reside.
 - (2) **Defendants in Different Divisions.** If at least one defendant resides in the district but the defendants do not all reside in the same jury division, the case is assigned as follows:
 - (A) To the jury division in which a substantial part of the events or omissions giving rise to the claim occurred, or in which a substantial part of property that is the subject of the action is situated; or
 - (B) If no jury division satisfies (A), to the jury division in which the first named resident defendant resides.
 - (3) **Non-Resident Defendants.** If none of the defendants reside in the district, the case is assigned as follows:
 - (A) To the jury division in which a substantial part of the events or omissions giving rise to the claim occurred, or in which a substantial part of property that is the subject of the action is situated; or
 - (B) If no jury division satisfies (A), to the jury division in which the first named plaintiff resides.

- (b) **Removal Cases and 28 U.S.C. § 2254 Petitions.** A removal or state habeas corpus petition shall be assigned to the jury division that includes the court from which the removal is had or in which the challenged judgment, conviction or order was rendered.
- (c) **Assignment of 28 U.S.C. § 2255 Motions.** A motion under 28 U.S.C. § 2255 should be assigned to the jury division in which the movant was originally tried or sentenced such that the motion is heard, if possible, by the same judge who presided over the part of the proceedings under attack.
- (d) **Venue for Corporations.** A corporation is a resident of the county in which it has its principal place of business within the district. If a corporation does business throughout the district and has no operation which is its principal place of business, or if a non-resident corporation does not maintain a place of business within the district, the action is assigned to the jury division in which a substantial part of the events or omissions giving rise to the claim occurred, or a substantial part of property that is the subject of the action is situated.
- (e) **Governmental Venue.** For purposes of this rule, the United States, federal agencies, the Commonwealth of Kentucky, and agencies of the Commonwealth are deemed non-residents of the District. State or federal officials joined solely in their official capacities are deemed residents of the division in which they perform their official duties.
- (f) **Transfer.** Any civil action or proceeding may, in the discretion of the Court, be transferred from the jury division in which it is pending to any other division for the convenience of the Court, parties, witnesses, or in the interest of justice.

 - (1) **Habeas Corpus Petitions.** A prisoner seeking leave to proceed in forma pauperis in a habeas corpus action must file a fully completed Application to Proceed Without Prepayment of Fees or a motion and affidavit that includes the same information. LR 6.2 Computation of Time – Date Certain

When any period of time set by Order of the Court or otherwise ends on a date certain and that date certain falls upon a Saturday, Sunday or legal holiday, the period of time continues to run until the end of the next day that is not a Saturday, Sunday or legal holiday.

LR 7.1 Motions

- (a) **Generally.** All motions must state precisely the relief requested. Except for routine motions -- such as motions for an extension of time -- each motion must be accompanied by a supporting memorandum. Failure to file a supporting memorandum may be grounds for denying the motion.
- (b) **Motions for an Extension of Time.** Subject to any deadlines established by the Court, parties may extend time limits by agreed order. Absent an agreement, the party seeking the extension must file a motion setting forth the reasons the extension is sought and tender a proposed order. A memorandum opposing the motion must be filed within seven (7) days of service of the motion.

- (c) **Time for Filing Memoranda in Response and Reply.** A party opposing a motion must file a response memorandum within twenty-one (21) days of service of the motion. Failure to timely respond to a motion may be grounds for granting the motion. A party may file a reply memorandum within fourteen (14) days of service of the response. When a party requests an extension of time to file a memorandum, please do so by agreed order or state whether other parties consent.
- (d) **Limitations on Memoranda.** Supporting and opposing memoranda may not exceed forty (40) pages without leave of Court. Reply memoranda may not exceed fifteen (15) pages without leave of Court.
- (e) **Proposed Order.** A party filing a motion must also file a separate proposed order. Any proposed order imposing sanctions must be provided separately from a proposed order pertaining to any other matter.
- (f) **Hearing or Oral Arguments on Motions.** A party may request a hearing or oral argument by motion.

LR 16.2 **Alternative Dispute Resolution.** Upon motion of any party, or sua sponte, any judicial officer may require parties in civil cases to consider some form of alternative dispute resolution process, including but not limited to, mediation, early neutral evaluation, minitrial, or arbitration. Mediation may be conducted under the auspices of a private professional mediator or a judicial officer. Positions taken and statements or concessions made during the mediation process shall not be admissible as evidence during any court proceedings. The mediator shall not be called or listed as a witness to any matter in which such mediator shall have served. Each District Court may, by separate General Order, designate a person to implement, administer, oversee, and evaluate alternative dispute resolution in such District.

LR 26.1 **Discovery Responses.**

- (a) **Repetition of Request.** In responding to interrogatories, requests for production of documents or things or for entry upon land, and requests for admission, the responding party must repeat the question or request immediately before the answer or objection.

The custodian must provide access to all parties of record during the pendency of the action.

LR 37.1 **Motions Relating to Discovery**

Prior to filing a discovery motion, all counsel must make a good faith effort to resolve extrajudicially any dispute relating to discovery. The Court will not entertain discovery motions unless counsel have conferred -- or attempted to confer -- with other affected parties in an effort to resolve their dispute. The moving party must attach to every discovery motion a certification that counsel have conferred and are unable to resolve their differences. The certification must detail counsel's attempts to resolve the dispute.

LR 40.1 **Assignment of Cases Among Judges and Calendaring**

- (a) **Assignment of Cases Among Judges.** Cases are assigned among the various judges within a district in a manner established by the Court's General Order. Unless otherwise ordered, cases are calendared for trial or other appropriate proceedings by the assigned judge.
- (b) **Reassignment of Cases; Motion to Reassign Related Cases.** A case may be reassigned to another judge within the district upon the Court's own motion, in the interests of justice, for reasons stated in an order of reassignment. A party may file a motion to reassign a case if it is related to another case pending in the district. Cases may be considered related if they meet the requirements of F.R.Civ.P.42(a), or if a substantial savings of judicial time and resources would result if they were handled by the same judge. The Court will determine a motion to reassign on the basis of whether reassignment is in the interests of justice.

- (c) **Judge Not Available.** If it appears that any matter demands immediate attention and the judge to whom the case has been assigned is not or will not be available, the Clerk -- upon request -- must determine if another judge is available who will consent to hear the matter.

LR 41.1 Dismissal for Failure to Prosecute

LR 54.1 Notice of Settlements

LR 54.3 Time for Filing Bill of Costs

The prevailing party must file a Bill of Costs with the Clerk and serve a copy of the Bill on each adverse party within thirty (30) days of entry of judgment. In lieu of filing the power of attorney with the Clerk, a copy of the power of attorney must be appended to each bond executed.
- (c) **Unacceptable Personal Sureties.** The Clerk must not accept the following as a personal surety on any bond:

- (g) **Bond Execution and Deed Deposit.** All parties to the deed and the bond must execute the bond and take the oath. The deed, or certified copy of the deed, must be deposited with the Clerk. Upon receipt of the deed, or certified copy of the deed, the Clerk must provide a receipt to the owner. If the bond is not forfeited, the deed must be returned to the property owner in person, or by certified mail, at the conclusion of the case.
- (h) **Lis Pendens Notice and Fees.** The Clerk must file a lis pendens notice against the property in the County Clerk's Office in the county where the property is located. The required fee for filing the notice and release of lis pendens is required upon execution of the bond.

LR 77.1 Service Date for Electronic Notice of Entry of Court Judgments and Orders

When the Notice of Electronic Filing transmitted to a party contains a complete court order and states there is no document attached, notice of entry of the order shall be deemed served on the date and time stated on the Notice of Electronic Filing that is transmitted to the party served.

- (a) **Applicant Eligibility.** An attorney may apply for admission to the Bar of the Court if:
 - (1) The attorney has been admitted to practice before the Supreme Court of Kentucky;
 - (2) The attorney is in good standing with the Supreme Court of Kentucky; and
 - (3) The attorney is of good moral and professional character.
- (b) **Admission Procedure.** An applicant must provide the Clerk with the following:
 - (1) an Application for Admission;
 - (2) an Authorization and Release;
 - (3) an affidavit of sponsorship signed by a member of the bar; and
 - (4) the prescribed fee; and
 - (5) a statement identifying the method of training completed before use of the Court's electronic filing system.
- (c) **Admission.** After the Court grants the attorney's application, the applicant may be admitted by mail or by appointment in open court.
 - (1) **Admission by Mail.** Upon request, the Clerk will promptly mail a Certificate of Admission to the applicant.
 - (2) **Admission in Open Court.** Upon request, the Clerk will arrange for a hearing at which time the sponsor will move to admit the applicant. The presiding judge will administer the attorney's oath or affirmation in open court.

LR 83.2 Permission to Practice in a Particular Case*

- (a) **Procedure.** An attorney who has not been admitted to the Bar of the Court – but who is in good standing in the Bar of any state, territory, or the District of Columbia – may represent parties before the Court if the attorney has paid the prescribed *pro hac vice* admission fee to the Clerk of the Court and been granted leave by the Court to appear *pro hac vice* in a particular case. A separate motion for each attorney requesting *pro hac vice* admission must include the following information:
 - (1) *Admission Status.* The motion must identify each Bar in which the attorney is a member and attach a certificate of good standing issued by the highest court of the state, territory, or the District of Columbia in which the attorney is a resident. The certificate of good standing must be issued no more than ninety (90) days before the filing of the motion.
 - (2) *Disciplinary History.* The motion must disclose whether the attorney is currently or has ever been disbarred, suspended from practice, or subject to other disciplinary action by any court, state, territory, or the District of Columbia.

- (3) *Consent to Jurisdiction.* The motion must include a statement indicating that the attorney consents to be subject to the jurisdiction and rules of the Kentucky Supreme Court governing professional conduct.
- (4) *ECF Training.* The motion must identify the method of training completed by the attorney before use of the Court's electronic filing system.
- (b) The Attorney General or any other bar member of the Department of Justice, or of any federal agency, including federal public defenders or panel attorneys that cross district lines, need not seek admission *pro hac vice* under this rule.
- (c) **Sanctions.** Nothing in this rule detracts from the Court's power to sanction unprofessional conduct.

*The Attorney General or any other officer of the Department of Justice need not seek admission *pro hac vice* under this rule. See 28 U.S.C. § 515(a).

LR 83.3

Attorney Discipline

- (a) **Discipline Generally.** Any attorney practicing before the Court is subject to discipline by the Court upon a showing that:
 - (1) The attorney is currently suspended or disbarred by any admitting or licensing authority; or
 - (2) The attorney is guilty of unprofessional conduct in the matter pending before the Court.
- (b) **Discipline By Admitting or Licensing Authority; Procedure.**
 - (1) **Attorney's Duty to Notify.** An attorney practicing before the Court who is suspended or disbarred by any admitting or licensing authority must promptly inform the Clerk of the suspension or disbarment.
 - (2) **Notice to the Attorney.** Upon receipt of documentation demonstrating an attorney has been suspended or disbarred by any admitting or licensing authority, the Court will immediately issue a notice to the attorney containing the following:
 - (A) a copy of the documentation evidencing suspension or disbarment; and
 - (B) an order to show cause -- within thirty (30) days after service of that order -- why the attorney should not be disqualified from practicing before the Court. The challenge to the Court's disqualification of the attorney must be based on one of the grounds contained in section (3). The attorney may respond to the show cause order personally or by mail.
 - (3) **Discipline Imposed; Grounds for Challenge.** Thirty (30) days after service of the notice provided in (b)(2) above, the Court will disqualify the attorney from practicing before it unless the Court concludes that the entry of some other order is appropriate. To conclude that the entry of some other order is appropriate, the Court must find that the record underlying the attorney's suspension or disbarment clearly indicates that:

- (A) the procedure was so lacking in notice or opportunity to be heard as to constitute a deprivation of due process;
 - (B) the proof establishing the misconduct was so infirm that the Court could not -- consistent with its duty -- accept the conclusion of the admitting or licensing authority as final;
 - (C) the Court's disqualification of the attorney would result in grave injustice; or
 - (D) the Court concludes that the misconduct underlying the attorney's suspension or disbarment warrants substantially different discipline.
- (4) **Finality of the Action of the Admitting or Licensing Authority.** Unless the Court determines that one of the grounds contained in (3) above exists, the admitting or licensing authority's final adjudication of attorney misconduct conclusively establishes the misconduct for purposes of this Court's discipline. If the attorney's suspension or disbarment is stayed or is not yet final, this Court's disqualification of the attorney is deferred until the stay expires or the decision becomes final.
- (c) **Discipline for Unprofessional and Improper Conduct.** If it appears to the Court that an attorney practicing before the Court has violated the rules of the Kentucky Supreme Court governing professional conduct or is guilty of other conduct unbecoming an officer of the Court, any judge may order an attorney to show cause -- within a specified time -- why the Court should not discipline the attorney. Upon the expiration of the period specified or upon the attorney's response to the show cause order, the Court will enter an appropriate order. If requested by the responding attorney, the Court will conduct a hearing prior to determining the appropriate order.
- (d) **Discipline for Contempt.** Disbarment from the Court may be utilized as a sanction for contempt of court under the procedures contained in Federal Rule of Criminal Procedure 42. Nothing in this rule shall limit the Court's power to punish contempt.

LR 83.4 Local Counsel

If the law practice of an attorney practicing before the Court is not located in proximity to the place where court is held, the Court may -- in its discretion -- require the attorney to designate local counsel. To require local counsel, the Court must enter an order articulating the reasons local counsel is required.

LR 83.5 Appearance of Counsel

Unless the Court orders otherwise, an attorney is deemed an attorney of record by:

- (a) appearing in court on behalf of a party;
- (b) filing an entry of appearance;
- (c) signing a pleading, motion or other paper as attorney for a party; or
- (d) listing his or her name as an attorney -- other than of counsel -- on a pleading, motion, or other paper.

LR 83.6 Substitution or Withdrawal of Attorney of Record

Unless a compelling reason exists, an attorney of record is not permitted to withdraw within twenty-one (21) days of trial or a hearing on any motion for judgment or dismissal. At any other time, an attorney of record may withdraw from a case only under the following circumstances:

- (a) The attorney files a motion, his or her client consents in writing, and another attorney enters his or her appearance; or
- (b) The attorney files a motion, certifies the motion was served on the client, makes a showing of good cause, and the Court consents to the withdrawal on whatever terms the Court chooses to impose.
- (c) In cases where an attorney seeks to be substituted for another as attorney of record, and both attorneys are within the same partnership or other legal professional association, a notice of substitution must be filed signed by the withdrawing attorney and the substitute attorney with an affirmative representation stating that the substitution is made with the client's consent; the notice may, but need not be, signed by the client.

LR 83.8 Writs of Habeas Corpus Ad Testificandum

If a person in state or federal custody is needed for testimony or for trial in a civil case, the party desiring the person's attendance must move for a writ of habeas corpus ad testificandum at least thirty (30) working days before the date the person is needed in court to appear or testify unless exigent circumstances otherwise exist.

LR 83.9 Courtroom Decorum

- (a) **Persons Permitted Inside the Bar of the Courtroom.** Only those persons authorized by the Court, or those persons having an official function, are permitted inside the bar of the courtroom during proceedings held in open court.
- (b) **Possession and Use of Electronic or Photographic Equipment; Generally.** Except as permitted by (c), no person may operate any visual or audio recording, broadcasting or transmitting device or equipment in any courtroom. This rule applies regardless of whether court is actually in session.
- (c) **Permitted Uses of Electronics.** The presiding judge may permit the following:
 - (1) Use of electronic or photographic means for presenting evidence or perpetuating the record; and/or
 - (2) The broadcasting, televising, recording, or photographing of investitive, ceremonial, or naturalization proceedings.
 - (3) Any wireless or internet communication device approved by the Court.
- (d) **Devices and Equipment in Courthouses.** By General Order, the Eastern and Western Districts may regulate the possession of electronic devices and equipment within each courthouse. Notice of any such General Order shall be posted in a conspicuous place in all federal court buildings in the District, and will be available on the Clerk's website.

LR 83.10 Exhibits

Unless the Court orders otherwise, exhibits must be managed as follows:

- (a) **Method of Designation.** All exhibits and materials to be used during a civil trial must be marked for identification purposes with labels obtained from the Clerk.
 - (1) Joint exhibits (JX) must be numbered using white labels;
 - (2) Plaintiff's exhibits (PX) must be numbered using pink labels;
 - (3) Defendant's exhibits (DX) must be numbered using blue labels;
 - (4) Third-party exhibits (TPX) must be numbered using green labels;
 - (5) If the proceeding involves multiple plaintiffs or multiple defendants, the identification assigned to each exhibit must contain the individual party's surname or corporate name.
- (b) **Uniform Designation.** Proposed exhibits must be uniformly identified during all phases of the case. This rule applies to all proposed exhibits, including exhibits appended to discovery requests or depositions and exhibits to be used at trial.
- (c) **Disposition of Exhibits.** The Clerk may direct counsel of record to retrieve their exhibits from the Clerk's custody by a specific date. The Clerk may destroy any exhibits that remain unclaimed two weeks after counsel of record has been directed to retrieve them.
- (d) **X-Rays, Hospital Records and Medical Reports.** The Clerk may deliver x-ray negatives, hospital records and medical reports to the witness through whom the exhibit was introduced in evidence.
- (e) **Contraband.** If not claimed within two (2) weeks of final disposition of a case, the Clerk may deliver all contraband filed as exhibits to the appropriate agency for disposition.

LR 83.11 Social Security Cases

- (a) **Service of Social Security Number on Separate Paper than Complaint.** Any person seeking judicial review of a decision of the Commissioner of Social Security under § 205(g) of the Social Security Act, 42 U.S.C. §405(g), shall provide, on a separate sheet of paper attached to the copies of the complaint served on the Commissioner and the United States Attorney, the name and social security number of the worker on whose wage record the application for benefits was filed. The person shall also state in the complaint itself that the name and social security number have been attached to the copies served upon the Commissioner and the United States Attorney. Failure to provide a social security number in this manner is not grounds for dismissal of the complaint. However, in addition to other sanctions that the Court may order, the Commissioner's time for filing an answer and transcript will not begin until the Commissioner has been served in compliance with this subsection. To note for the record any period of tolling of the time to file an answer under this subsection, the United States Attorney must file a notice showing the plaintiff's failure to comply.

- (b) **Commissioner's Time to Respond.** Within sixty (60) days of service of the complaint, the Commissioner of Social Security must file an answer and transcript of the administrative proceedings. An initial extension of up to sixty (60) days may be granted, for good cause, upon motion of the Commissioner. If the responsible Social Security Administration official files an affidavit detailing the circumstances that require additional time, a second extension of time to respond may be granted. No other extension will be granted.
- (c) **Judicial Review.** At the discretion of the judge to whom the case is assigned, judicial review may occur on written motion or oral argument. Unless otherwise ordered motion practice will occur as follows:
 - (1) Plaintiff must move for summary judgment or judgment on the pleadings within sixty (60) days of the filing of the answer and administrative transcript.
 - (2) The Commissioner must file a countermotion or a response to the plaintiff's motion within thirty (30) days of service of the Plaintiff's motion.
 - (3) The Clerk must submit the case to the judicial officer immediately following the filing of the Commissioner's countermotion or response.
 - (4) Extensions of time may be granted only if good cause is shown or there is no objection from any party.
- (d) **Attorney's Fees Petitions Under Social Security Act.** Plaintiff's counsel may petition for attorneys's fees, awardable under § 206(b) of the Social Security Act, 42 U.S.C. § 406(b), within thirty (30) days of a final favorable decision for plaintiff.
 - (1) **Petition.** The attorneys's fee petition must include an itemization of the services provided in both the administrative and the judicial proceedings. Plaintiff's counsel must serve a copy of the fee petition on the claimant and the United States Attorney.
 - (2) **Response by the Claimant.** The United States Attorney must respond to the attorneys's fee petition within thirty (30) days of the petition's filing. The government's response must include a statement of accrued benefits and must advise the Court whether the government considers the fee to be reasonable. The government must serve a copy of the response on the claimant and the petitioning attorney. The claimant may respond to the attorney's fee petition within thirty (30) days of the petition's filing.

LR 83.12 Bankruptcy Matters

- (a) **Generally.** The powers of law, equity and admiralty vested in the District Court are referred to the United States Bankruptcy Court as a unit of the District Court. The following cases and proceedings are referred to the Bankruptcy Court judges for the District:

- (1) Cases, matters and proceedings in cases, under the Bankruptcy Act pending in the Bankruptcy Court on July 9, 1984;
 - (2) All matters arising under -- or arising in or related to cases arising under -- Title 11 of the United States Code that were pending in the Bankruptcy Court on July 9, 1984, except proceedings involving tort claims for personal injury or wrongful death;
 - (3) All matters arising under -- or arising in or related to cases arising under -- Title 11 of the United States Code filed on or after July 10, 1984, except proceedings involving tort claims for personal injury or wrongful death;
 - (4) All actions for removal of claims under 28 U.S.C. §1452(a) and (b) that relate to bankruptcy cases, except proceedings involving tort claims for personal injury or wrongful death;
 - (5) All venue matters relating to bankruptcy cases under 28 U.S.C. § §1406 and 1412.
- (b) **Filing.** All matters in (a) must be filed in accordance with the local rules of the United States Bankruptcy Court.

LR 83.13 Advance Payment of Fees

- (a) **Generally.** The Clerk, the United States Marshal Service, or any other officer of the Court entitled to collect fees for services rendered may require fees to be paid in advance. This rule includes fees for filing cases.
- (b) **Payment of Fees in Seamen's Suit.**
Seamen may institute and prosecute suits in their own names and for their own benefit for wages or salvage or the enforcement of laws enacted for their health or safety without prepaying fees or costs or furnishing security therefor. In all such actions in which a seaman prevails, either by judgment or by settlement, no dismissal or satisfaction of judgment shall be filed or entered until all fees of the marshal and clerk have been paid. It shall be the responsibility of counsel handling the payment of any settlement to see to it that all fees are paid whether or not any dismissal or satisfaction of judgment entry is applied for.

LR 83.14 Modification or Amendment of Local Rules

- (a) **Modification in Particular Case.** A judge may modify any local rule in a case by entering an appropriate order.
- (b) **Amendments to the Joint Local Rules.** The Courts may amend these rules by entering an appropriate order in each District under the procedures in Federal Rule of Civil Procedure 83. The Courts have agreed not to adopt an amendment to the Joint Local Rules of Civil or Criminal Practice until considered by the Joint Local Rules Commission.
- (c) **Joint Local Rules Commission Membership**
 - (1) **Generally.** The Joint Local Rules Commission is comprised of the following members:
 - (A) two judges from each District;
 - (B) four practicing attorneys from each District;

- (C) a chairperson selected by -- and serving at the will of -- the Chief Judges of the Districts.
- (2) **Judge Members.** Judge members of the Commission must include the Chief Judges of the respective Districts -- or his or her designee -- and one other judge selected by the judges of each Court.
- (3) **Attorney Members.** The Board of Governors of the Kentucky Bar Association must appoint the attorney members of the Commission. Attorney members must be selected from those attorneys currently practicing in the Eastern or Western District of Kentucky -- or in both Districts. The Board should select attorneys so as to maintain geographic representation for all Bar members in Kentucky.
- (d) **Terms of Office for Attorney Members.** Attorney members of the Commission must be appointed for a four year period. The initial appointments must be staggered terms of one, two, three or four years to achieve continuity on the Commission. Commission members at the time this rule takes effect may be reappointed to the Commission in appropriately staggered terms to maintain continuity.
- (e) **Meetings.** The Commission will meet bi-annually in a place convenient to as many members as possible. If no one identifies any agenda items to the chairperson prior to the scheduled meeting, the meeting may be canceled. A quorum consists of the following:
 - (1) one judge from each District; and
 - (2) two attorneys from each District.

LR 85.1 Citation
