Threshold for Prevailing Wage Work for New Jersey Municipalities to Increase July 1, 2014

Authors: Evan J. Shenkman (Morristown), Steven J. Luckner (Morristown), Robin Koshy (Morristown)

Published Date: May 2014

The state prevailing wage threshold for total work done for a municipality or on property or premises owned by a municipality will increase from \$14,187 to \$15,444 beginning July 1, 2014. If the work is being done for any other public entity (like a board of education or municipal utility authority) the current \$2,000 threshold still applies.
