**Unless otherwise ordered, these Individual Practices apply to all criminal matters before Judge Woods.**

**1. Initial Pretrial Conference.** When a criminal case is assigned to Judge Woods, the Assistant United States Attorney (“AUSA”) shall immediately call the Courtroom Deputy to arrange for a prompt conference/arraignment. In the event the Courtroom Deputy is not available, the AUSA should call Chambers. The AUSA shall provide via email (WoodsNYSDChambers@nysd.uscourts.gov) a courtesy copy of the indictment and the complaint, if one exists, as soon as practicable.

**2. Communications with Chambers**

**A. Letters.** Except as otherwise provided below, communications with the Court should be by letter, filed electronically on ECF. Parties should not submit courtesy copies of letters filed on ECF. Copies of correspondence between counsel must not be filed on ECF or otherwise sent to the Court (except as exhibits to an otherwise properly filed document). Absent a request to file a letter under seal, the parties should assume that any substantive letter will be docketed by the Court.

Letters to be filed under seal or containing sensitive or confidential information may be emailed to the Court at WoodsNYSDChambers@nysd.uscourts.gov as a .pdf attachment with a copy simultaneously delivered to all counsel. Any such email must state clearly in the subject line: (1) the caption of the case, including the lead party names and docket number, and (2) a brief description of the contents of the letter. Parties must not include substantive communications in the body of the email; such communications shall be included only in the body of the attached letter.

In all correspondence involving a request, the requesting party must indicate whether the adversary consents to the request. In a written request for bail modification by a

defendant, the request shall additionally indicate whether the Pre-Trial Services Officer consents to the request.

- B. Telephone Calls.** For questions that cannot be answered by reference to these rules or for urgent matters requiring immediate attention, contact Chambers at (212) 805-0296.
- C. Faxes.** Faxes to Chambers are not permitted except with prior approval.
- D. Hand Deliveries.** Hand-delivered materials should be left with the Court Security Officers at the Worth Street entrance of the Daniel Patrick Moynihan United States District Courthouse at 500 Pearl Street, New York, NY 10007 and may not be brought directly to Chambers. Hand deliveries are continuously retrieved from the Worth Street entrance by Courthouse mail staff and then forwarded to Chambers. If the hand-delivered materials are urgent and require the Court's immediate attention, ask the Court Security Officers to notify Chambers that an urgent package has arrived that needs to be retrieved by Chambers staff immediately.
- E. Requests for Adjournments or Extensions of Time.** All requests for adjournments or extensions of time must be made by letter and must state: (1) the original due date; (2) the number of previous requests for adjournment or extension of time; (3) the reason for the current request; (4) whether the adversary consents and, if not, the reason given by the adversary for refusing to consent; and (5) proposed alternative dates. If a party seeks an exclusion of time under the Speedy Trial Act, 18 U.S.C. § 3161, the party must submit to the Court via email to [WoodsNYSDChambers@nysd.uscourts.gov](mailto:WoodsNYSDChambers@nysd.uscourts.gov) a proposed order (in Microsoft Word format) along with its request for adjournment or extension.

Absent an emergency, the request must be made at least 48 hours prior to the original due date, with the exception of a request to adjourn sentencing, which must be made at least 72 hours prior to the proceeding.

- F. Urgent Communications.** Materials filed via ECF are generally reviewed by the Court the business day after they have been filed. If a submission requires immediate attention, please notify Chambers by telephone after the submission has been filed via ECF.

### 3. Defense Counsel

- A. Benefactor Payments.** Whenever defense counsel has received, or is receiving, a benefactor payment that subjects counsel to a conflict of interest, said counsel must inform the Court in advance of the first conference and request a *Curcio* hearing.
- B. Substitution of Counsel.** When there is a substitution of defense counsel, counsel of record must contact the Courtroom Deputy to schedule a conference as soon as possible. At the conference, the Court will address the application by defense counsel to be

relieved. The defendant, replacement counsel, and the AUSA must also attend the conference.

**4. Discovery Motions.** In making discovery motions, counsel are expect to comply with Southern District Local Criminal Rule 16.1. Any discovery motion must contain a Rule 16.1 affidavit.

**5. Guilty Pleas**

**A. Plea Agreements and *Pimentel* Letters.** The Government shall provide a courtesy copy of the signed plea agreement, cooperation agreement, or *Pimentel* letter to the Court. These documents should be e-mailed to Chambers at WoodsNYSDChambers@nysd.uscourts.gov as soon as practicable but no later than three business days before the scheduled plea.

**B. Preparation for Allocution.** Prior to the date set for the plea, defense counsel are expected to have reviewed with the defendant—if necessary, with the assistance of an interpreter—any *Pimentel* letter or plea, cooperation, or other agreement. Defense counsel and the defendant should execute any plea or cooperation agreement prior to the time set for the plea. The defendant should also be prepared in advance of a guilty plea to give narrative allocutions that incorporate all of the elements of the offense(s) to which the defendant is pleading guilty.

**6. Trials**

**A. Requests to Charge, Proposed Verdict Forms, and Proposed *Voir Dire* Questions.** Unless otherwise ordered, requests to charge, proposed verdict forms, and proposed voir dire questions shall be filed via ECF no later than two weeks prior to the trial date. At the time of filing, each party must also email copies of these documents in Microsoft Word format to WoodsNYSDChambers@nysd.uscourts.gov. Proposed requests to charge must include citations to supporting legal authority.

**B. Exhibits and 3500 Material**

- i.** At the start of trial, the Government shall provide the Court with three copies of the witness list and exhibit list and one set of pre-marked documentary exhibits and Section 3500 material assembled sequentially in loose leaf binders or in separate manila folders labeled with the exhibit numbers.
- ii.** Sidebars during jury trials are discouraged, and counsel are expected to anticipate any matters that might require argument and to raise those issues with the Court in advance of the time that the jury will be hearing the evidence.

- iii. In advance of each trial session, counsel for the party going forward at that session must show opposing counsel the exhibits he or she intends to introduce at the session. The opponent shall indicate those exhibits to which he or she has no objection, and the Court will admit them when offered at the session. Those exhibits to which there is an objection shall be presented to the Court for ruling before the opening of the session.
- iv. If counsel intend to distribute copies of documentary exhibits to the jury, they are to make a separate copy for each juror.
- v. Counsel shall make certain that they have custody of all original exhibits. The Court does not retain them, and the Courtroom Deputy is not responsible for them.

## 7. Sentencing

- A. **Deadlines for Filing and Courtesy Copies.** The defendant's submission must be filed via ECF no later than two weeks in advance of the date set for sentencing. The Government's sentencing submission must be filed via ECF at least one week in advance of the date set for sentencing. The parties shall provide the Court with two courtesy copies of each submission at the time of filing.
- B. **Letters.** The defendant is responsible for filing all letters submitted on behalf of the defendant, including those from friends and relatives. The Government is responsible for filing all letters from victims. A party shall group and file the letters together as attachments to a single document marked SENTENCING MEMORANDUM with the caption and docket number clearly indicated.
- C. **Public Record.** Unless permission to the contrary has been obtained, every document in a sentencing submission, including letters, shall be filed in the public record via ECF.
  - i. **Redactions Not Requiring Court Approval.** Parties are reminded not to include, unless necessary, the five categories of sensitive information listed in Rule 21.3 of the SDNY ECF Rules and Instructions (i.e., social security numbers, names of minors, dates of birth, financial account numbers, and home addresses), and to exercise caution with the six categories of sensitive information listed in Rule 21.4 of the SDNY ECF Rules and Instructions (i.e., personal identifying numbers, medical records, employment history, individual financial information, proprietary or trade secret information, and information regarding an individual's cooperation with the government). A party may, without the Court's approval, redact any of this sensitive information.

- ii. Redactions Requiring Court Approval.** If a party redacts information beyond the eleven categories of information identified in Rule 7(C)(i) above, an application shall be served and filed at the time the sentencing submission is served. The application shall clearly identify the redaction and explain the reasons for the redaction. The application will be addressed at the sentencing proceeding.
  
- iii. Sealing.** If any material is redacted from a publicly filed document, only those pages containing the redacted material will be filed under seal. Counsel shall bring a copy of those pages to the sentencing proceeding, marked to indicate what information has been redacted from the publicly filed materials, to give to the Court for filing under seal.
