Rule 1.1 Scope and Citation

(a) **Scope of the Rules.** Pursuant to Fed. R. Civ. P. 83, the following Local Rules for the United States District Court, Northern District of Ohio, will hereafter control the conduct of civil proceedings in this Court. Nothing in these Rules shall be construed in a manner inconsistent with the Federal Rules of Civil Procedure.

(b) **Citation.** These Rules shall be cited as "Local Rules" or abbreviated as "LR". The Supplemental Local Rules for Certain Admiralty and Maritime Claims shall be cited as "Local Supplemental Rule" or abbreviated as "LSuppR".

(c) **Effective Date.** These Rules shall apply to all cases pending in this district on or after the effective date of January 1, 1992, except as modified by the provisions of Local Rule 16.1(c).

(d) **Construction of Rules.** These Rules shall be construed to achieve an orderly administration of the business of this Court; to govern the practice of attorneys before this Court; and to secure the just, speedy and inexpensive determination of all litigation coming before this Court.

(See LCrR 1.1)

Last revised 4/7/97. See Historical Notes for full revision history.

Rule 1.2 Definitions

(a) "United States Attorney," unless otherwise indicated, shall also mean the Assistant United States Attorneys and Department of Justice Attorneys assigned to a case.

(b) Reference in these Rules to an "attorney" or "counsel" for a party is in no way intended to preclude a party from proceeding pro se, in which case reference to attorney or counsel applies to the pro se litigant.

(c) "Clerk" shall be interpreted to include the Clerk of the District Court and any Deputy Clerk. The Clerk of the Bankruptcy Court will be referred to as the "Bankruptcy Clerk."

(d) "Judicial Officer" is either a United States District Judge or a United States Magistrate Judge.

(e) "Judge" shall be interpreted to mean all Judicial Officers, including District Judges and Magistrate Judges, unless specifically limited or the subject is directed to one of these Judicial Officers.

(f) "Court" means any United States District Judge, United States Magistrate Judge, or Clerk of Court personnel to whom responsibility for a particular action or decision has been delegated by the Judges of the United States District Court for the Northern District of Ohio.

(See LCrR 1.2)

Last revised 4/7/97. See Historical Notes for full revision history.

Rule 3.1 Assignment of Cases; Related Cases, Refiled, Dismissed and Remanded Cases

(a) **Assignment.** Subject to the latter provisions of this Rule, upon filing, each civil case shall be assigned by random draw to a District Judge. He or she shall continue in the case or matter until its final disposition. Any case received from the random draw may be transferred, with the concurrence of the receiving District Judge and the approval of the Chief Judge.

A motion to file a new civil case or complaint under seal shall be randomly assigned to a District Judge who will continue to preside over the case.

With regard to all civil proceedings in the Eastern Division of the Court, after each case is assigned by random draw to a District Judge, the Clerk shall immediately assign a Magistrate Judge to the case in accordance with orders of the Court.

(b) **Reassignment.** Cases shall be assigned other than by random draw only in the instances set forth in this paragraph. Such assignments shall be made by the Clerk in accordance with these Rules. When an additional assignment is thus made to a District Judge under any of the following sub-paragraphs, an electronic card for said District Judge shall be removed from the deck from the same category from which the case would have been drawn.

(1) **Disqualification.** Should a District Judge be disqualified from hearing a case assigned to him or her, the case shall be reassigned by random draw in the respective division. If the case had been on the docket of the disqualified judge more than three months, the newly assigned district judge may, within one month, transfer a case of the same general age and complexity to the disqualified judge in lieu of having an electronic case assignment card removed from the deck.

(2) **Subsequent Proceedings.** Subsequent proceedings in civil cases shall be assigned to the District Judge who heard the original case.

(3) **Related Cases.** A case may be re-assigned as related to an earlier assigned case with the concurrence of both the transferee and the transferor District Judges, with or without a motion by counsel.

(4) **Refiled, Dismissed and Remanded Cases.** If an action is filed or removed to this Court and assigned to a District Judge after which it is discontinued, dismissed or remanded to a State Court, and subsequently refiled, it shall be assigned to the same District Judge who received the initial case assignment without regard for the place of holding court in which the case was refiled. Counsel or a party without counsel shall be responsible for bringing such case to the attention of the Court by responding to the questions included on the Civil Cover Sheet.

When it becomes apparent to the District Judge to whom a case is assigned that the case was previously filed in this Court and assigned to another District Judge and was discontinued, dismissed without prejudice or remanded to a State Court, the two District Judges shall sign an order reassigning the case to the District Judge who had been assigned the earlier case.

(5) Transfer of Civil Actions. Any case received from the random draw may be transferred, with the concurrence of the receiving District Judge and the approval of the Chief Judge.

(See LCrR 57.9)

Last revised 7/12/12. See Historical Notes for full revision history.

Rule 3.2 Procedure for Assignment of Cases

The procedure for the assignment of cases shall be the same for the Eastern and Western Divisions. Each of the District Judges in the Eastern and Western Divisions shall be assigned an equal share of the cases filed in his or her division except that the Chief Judge shall be assigned a one-half (50 percent) share. This shall apply to civil cases and to the miscellaneous docket.

(See LCrR 57.10)

Last revised 4/7/97. See Historical Notes for full revision history.

Rule 3.3 Categories of Civil Cases

Depending upon the nature of the claim (principal claim if more than one claim is in the complaint), each case shall be designated as within one of the following categories:

1. Regular Civil
2. Administrative Review/Social Security
3. Death Penalty Habeas Corpus

Immediately upon filing, each civil case shall be assigned to the appropriate category by the Clerk's Office.

(See LCrR 57.11)

Last revised 1/15/98. *See* Historical Notes for full revision history.

Rule 3.4 Preparation of Assignment Decks

For each of the Eastern Division Offices in Akron, Cleveland and Youngstown, the Clerk of Court shall cause to be created a separate electronic deck of case assignment cards for Civil Category 1. For all of the Eastern Division Offices, the Clerk of Court shall cause to be created a combined electronic deck of case assignment cards for Civil Category 2.

For the Western Division, the Clerk of Court shall cause to be created a separate electronic deck of case assignment cards for Civil Categories 1 and 2.

For all offices in both the Eastern and Western Divisions, the Clerk of Court shall cause to be created a single electronic deck of case assignment cards for Civil Category 3.

The electronic cards comprising each deck category will contain the category number and the name of a District Judge. The name of each District Judge shall appear on that number of cards in the electronic deck that corresponds to the share of cases assigned to that District Judge pursuant to Local Rule 3.2.

The cards making up a deck shall be electronically shuffled so that the sequence will be entirely by chance, and the cards shall be concealed so that the name of the District Judge will not be known until the card is drawn. Relying upon the indicated category of the case and selecting the appropriate deck depending upon the venue of the case (See Local Rule 3.8(a), the Assignment Clerk shall randomly select a card from the deck of that category and venue. The case shall be assigned to the District Judge whose name appears on the drawn card. New decks of cards shall be prepared by the Clerk from time to time, as herein described, unless otherwise instructed by the Court.

In the Western Division, decks for each category of civil cases shall be replenished as soon as the decks are depleted.

For the Eastern Division, decks for Civil Category 1 shall be replenished only after all Civil Category 1 decks for all offices in the Eastern Division are depleted. Thus, (1) if the Youngstown deck is depleted first, Youngstown cases will thereafter be assigned to District Judges from the Akron deck until that deck is depleted. When the Akron deck is depleted, both Youngstown and Akron cases will be assigned to District Judges from the Cleveland deck. (2) If the Akron deck is depleted first, Akron cases will thereafter be assigned to District Judges from the Youngstown deck until that deck is depleted. When the Youngstown deck is depleted, both Akron and Youngstown cases will be assigned to District Judges from the Cleveland deck. (3) If the Cleveland deck is depleted first, Cleveland cases will thereafter be assigned to District Judges from the Akron deck until that deck is depleted. When the Akron deck is depleted, both Cleveland and Akron cases will be assigned to District Judges from the Youngstown deck.

When all of the Civil Category 1 decks in the Eastern Division are depleted, all will be replenished and the assignment system herein described will start over.

The Assignment Clerk shall mark, on the first document of the case, the next consecutive number and the name of the District Judge to whom the case is assigned. A record of all assignments made shall be kept by said Clerk. Reports of case assignments shall be made available to the Court upon request.

(See LCrR 57.12)

Last revised 4/7/97. *See* Historical Notes for full revision history.

Rule 3.5 Duties of the Clerk as to Case Assignments

The random electronic shuffling of the electronic assignment cards and the concealment of these cards in separate decks shall be administered by the Clerk. The Clerk shall not reveal the sequence of the electronic cards to anyone, unless ordered to do so in the presence of the District Judges at a regularly scheduled meeting.

(See LCrR 57.13)

Rule 4.2 Service of Process

P. 4(e)(1) authorizes service pursuant to the law of the state in which the district court is located for a summons or other like process upon the defendant in an action brought in the courts of general jurisdiction of Ohio. Rules 4.1 and 4.3(B) of the Ohio Rules of Civil Procedure provides for service by the Clerk mailing the summons and complaint by certified mail. An attorney who attempts to effect service in this Court pursuant to the law of Ohio must comply with the following procedure:

(a) Plaintiff's attorney shall address the envelope to the person to be served, shall enter as the return address the address of the issuing location for The Office of the Clerk, and shall place a copy of the summons and complaint or other document to be served in the envelope. Plaintiff's attorney shall also affix to the back of the envelope the domestic return receipt card, PS Form 3811, July 1983, (the "green card") showing the Name of Sender as "Clerk, United States District Court, Northern District of Ohio" at the appropriate address with the certified mail number affixed to the front of the envelope. The instructions to the delivering postal employee shall require the employee to show to whom delivered, date of delivery, and address where delivered. Plaintiff's attorney shall affix adequate postage to the envelope and deliver it to the Clerk who shall cause it to be mailed. The envelope should be unsealed when it is delivered to the Clerk so that the Clerk can verify the contents prior to mailing.

(b) The Clerk shall enter the fact of mailing on the appearance docket and make a similar entry when the return receipt is received. If the envelope is returned with an endorsement showing failure of delivery, the Clerk should forthwith electronically file a Return of Service Unexecuted which shall serve as notice to the attorney of record or if there is no attorney of record, the party at whose instance process was issued (who shall be copied by regular mail), that service was not obtained.

(c) If service of process is refused or was unclaimed, the Clerk shall forthwith electronically file a Return of Service Unexecuted which shall serve as notice to the attorney of record or if there is no attorney of record, the party at whose instance process was issued (who shall be copied by regular mail), that service was not obtained. If the attorney, or serving party, after notification by the Clerk, files with the Clerk a written request for ordinary mail service, and submits to the Clerk an envelope containing the summons and complaint or other document to be served, with adequate postage affixed to the envelope, the Clerk shall send the envelope to the defendant at the address set forth in the caption of the complaint, or at the address set forth in written instructions to the Clerk. The attorney or party at whose instance the mailing is sent shall also prepare for the Clerk's use a certificate of mailing which shall be signed by the Clerk or a Deputy

Clerk and filed at the time of mailing. The attorney or party at whose instance the mailing is sent shall also endorse the answer day (24 days after the date of mailing shown on the certificate of mailing) on the summons sent by ordinary mail.

If the ordinary mail is returned undelivered, the Clerk shall forthwith notify the attorney, or serving party, by mail.

The attorney of record or the serving party shall be responsible for determining if service has been made under the provisions of Rule 4 of the Ohio Rules of Civil Procedure and this Local Rule.

This Local Rule is confined to the domestic service of the summons and complaint in a civil action in this Court by certified mail or ordinary mail, pursuant to the law of Ohio, and is not intended to affect the procedure for other methods of service permitted by the Fed. R. Civ. P. or the Ohio Rules of Civil Procedure.

Effective 2/1/10. *See* Historical Notes for full revision history.

Rule 5.1 Filing by Facsimile or Electronic Means

(a) The Clerk's Office will not accept any facsimile transmission unless ordered by the Court.

(b) Pursuant to Fed. R. Civ. P. 5(e), the Clerk's Office will accept papers filed, signed, or verified by electronic means that are consistent with technical standards, if any, that the Judicial Conference of the United States establishes. A paper filed by electronic means in compliance with this Rule constitutes a written paper for the purposes of applying these Rules and the Federal Rules of Civil Procedure. All electronic filings shall be governed by the Court's Electronic Filing Policies and Procedures Manual and orders of the Court. (See Appendix B.)

(c) The Court requires attorneys to receive notice of filings electronically and to file documents electronically, absent a showing of good cause, unless otherwise excused by the rules, procedures or Orders of the Court. While parties and pro se litigants may register to receive "read only" electronic filing accounts so that they may access documents in the system and receive electronic notice, typically only registered attorneys, as Officers of the Court, will be permitted to file electronically. The Judicial Officer may, at his or her discretion, grant a pro se litigant who demonstrates a willingness and capability to file documents electronically permission to register to do so. Permission to file electronically may be revoked at any time.

(See LCrR 49.2)

Rule 5.2 Filing Documents Under Seal

No document will be accepted for filing under seal unless a statute, court rule, or prior court order authorizes the filing of sealed documents. If no statute, rule, or prior order authorizes filing under seal, the document will not be filed under seal.

Materials to be sealed shall be filed electronically whenever possible pursuant to the Court's Electronic Filing Policies and Procedures Manual. Sealed documents which exceed the size limitations for electronic filing shall be presented in an envelope which shows the citation of the statute or rule or the filing date of the court order authorizing the sealing, and the name, address and telephone number of the person filing the documents.

If the sealing of the document purports to be authorized by court order, the electronically filed sealed document shall be linked to the order authorizing the sealing. For manually filed sealed documents, the person filing the documents shall include a copy of the order in the envelope. If the order does not authorize the filing under seal, or the electronic filing is not linked to the order, or in the case of manual filing no order is provided, the Clerk will unseal the documents. Before unsealing the documents, the Clerk will notify the electronic filer by telephone. If the document was manually filed, the Clerk will notify the person whose name and telephone number appears on the envelope in person (if he or she is present at the time of filing) or by telephone. The filer may withdraw the documents before 4:00 p.m. the day the Clerk notifies him or her of the defect. If not withdrawn, the documents will be unsealed.

After the entry of a final judgment or an appellate mandate, if appealed, the sealed record will be shipped to the Federal Records Center in accordance with the disposition schedule set forth in the guide to Judiciary Policies and Procedures.

(d) **Memorandum in Opposition.** Unless otherwise ordered by the Judicial Officer, each party opposing a motion must serve and file a memorandum in opposition within thirty (30) days after service of any dispositive motion and within fourteen (14) days after service of any non-dispositive motion. If a party opposing a motion was served with the motion under Fed. R. Civ. P. 5(b)(2)(C), (D), (E) or (F), three days shall be added to the prescribed period as provided in Fed. R. Civ. P. 6(d).

(e) **Reply Memorandum.** Unless otherwise ordered by the Judicial Officer, the moving party may serve and file a reply memorandum in support of any dispositive motion within fourteen (14) days after service of the memorandum in opposition and in support of any non-dispositive motion within seven (7) days after service of the memorandum in opposition. If the moving party was served with the memorandum in opposition under Fed. R. Civ. P. 5(b)(2)(C), (D), (E) or (F), three days shall be added to the prescribed period as provided in Fed. R. Civ. In the event that the page limitations have been modified by order of the Judicial Officer, a statement to that effect must be included in the certification along with a statement that the memorandum complies with those modifications. All memoranda exceeding fifteen (15) pages in length, excepting those in Social Security reviews, must have a table of contents, a table of authorities cited, a brief statement of the issue(s) to be decided, and a summary of the argument presented. Appendices of evidentiary, statutory or other materials are excluded from these page limitations and may be bound separately from memoranda.

(g) **Hearings.** The Judicial Officer may rule on unopposed motions without hearing at any time after the time for filing an opposition has expired. The Judicial Officer may also rule on any opposed motion without hearing at any time after the time for filing a reply memorandum has elapsed.

(h) **Untimely Motions.** Any motion (other than motions made during hearings or at trial) served and filed beyond the motion deadline established by the Court may be denied solely on the basis of the untimely filing.

(i) **Sanctions for Filing Frivolous Motions or Oppositions.** Filing a frivolous motion or opposing a motion on frivolous grounds may result in the imposition of appropriate sanctions including the assessment of costs and attorneys' fees against counsel and/or the party involved.

(j) **Motions Control Program.** Pursuant to a motion adopted by the Sixth Circuit Judicial Council at its November 1, 1993 meeting which authorized the chief judge of each district to monitor the motions docket within the district and to implement a motions control program, the Court adopted the Motions Control Program for the Northern District of Ohio set forth in General Order No. 94-01 (see Appendix H)

Rule 8.1 General Rules of Pleading

(a) In compliance with the policy of the Judicial Conference of the United States, and the E-Government Act of 2002, and in order to promote electronic access to case files while also protecting personal privacy and other legitimate interests, parties shall refrain from including, or shall partially redact where inclusion is necessary, the following personal data identifiers from all documents filed with the Court, including exhibits thereto, whether filed electronically or on paper, unless otherwise ordered by the Court.

(1) **Social Security numbers.** If an individual's Social Security number must be included in a document, only the last four digits of that number should be used.

(2) **Names of minor children.** If the involvement of a minor child must be mentioned, only the initials of that child should be used.

(3) **Dates of birth.** If an individual's date of birth must be included in a document, only the year should be used.

(b) In compliance with the E-Government Act of 2002, a party wishing to file a document containing the personal data identifiers listed above may

(1) file a redacted document in the public record and file a reference list under seal. The reference list shall contain the complete personal data identifier(s) and the redacted identifier(s) used in its(their) place in the filing. All references in the case to the redacted identifiers included in the reference list will be construed to refer to the corresponding complete personal data identifier. The reference list must be filed under seal, and may be amended as of right, or

(2) file an unredacted version of the document under seal.

(c) The unredacted version of the document or the reference list shall be retained by the Court as part of the record. The Court may, however, still require the party to file a redacted copy for the public file.

The responsibility for redacting these personal identifiers rests solely with counsel and the parties. The Clerk will not review each document for compliance with this rule.

(d) Exceptions: Transcripts of the administrative record in social security proceedings and state court records relating to habeas corpus petitions will be exempt

from these redaction provisions because those documents will not be made available online.

This disclosure must be made at the time of and with service of summons and complaint, regardless of how service is perfected, unless a different time is set by stipulation or court order. Notice of this disclosure shall be filed with the Court and may be made by separate filing or included as an allegation in the Complaint.

Rule 10.1 General Format of Papers Presented for Filing

Attorneys are required to file documents electronically, absent a showing of good cause, unless otherwise excused by the rules, procedures or Orders of the Court, pursuant to LR 5.1. The formatting requirements described below apply to documents presented on paper. Documents that are filed electronically should follow the same formatting provisions, where applicable.

All pleadings, motions, and other documents presented for filing shall be on 8½ x 11 inch white paper of good quality, flat and unfolded and shall be plainly typewritten, printed, or prepared by a clearly legible duplication process and double-spaced except for quoted material. Each page shall be numbered consecutively.

Only the original shall be filed. No duplicate of any document shall be accepted by the Clerk of Court, except upon written order of the Judicial Officer assigned to the case.

In instances wherein documents are being filed in consolidated or related cases, an additional copy shall be filed for each case number stated in the case caption. Signatures on all documents submitted to the Court shall include the typewritten name, address, telephone number, facsimile number, e-mail address and the attorney's Ohio Bar Registration Number, if applicable.

This Rule does not apply to:

Rule 16.1 Differentiated Case Management

(a) **Purpose and Authority.** The United States District Court for the Northern District of Ohio ("Northern District") adopts Local Rules 16.1 to 16.3 in compliance with the mandate of the United States Congress as expressed in the Civil Justice Reform Act of 1990 ("CJRA" or "Act"). These Rules are intended to implement the procedures necessary for the establishment of a differentiated case management ("DCM") system.

The Northern District has been designated as a DCM "Demonstration District." The DCM system adopted by the Court is intended to permit the Court to manage its civil docket in the most effective and efficient manner, to reduce costs and to avoid unnecessary delay, without compromising the independence or the authority of either the judicial system or the individual Judicial Officer. The underlying principle of the DCM system is to make access to a fair and efficient court system available and affordable to all citizens.

(b) Definitions.

(1) "Differentiated case management" ("DCM") is a system providing for management of cases based on case characteristics. This system is marked by the following features: the Court reviews and screens civil case filings and channels cases to processing "tracks" which provide an appropriate level of judicial, staff, and attorney attention; civil cases having similar characteristics are identified, grouped, and assigned to designated tracks; each track employs a case management plan tailored to the general requirements of similarly situated cases; and provision is made for the initial track assignment to be adjusted to meet the special needs of any particular case.

(2) "Case Management Conference" is the conference conducted by the Judicial Officer where track assignment, Alternative Dispute Resolution ("ADR"), and discovery are discussed and where discovery and motion deadlines, deadlines for amending pleadings and adding parties, and the date of the Status Conference are set. Such conference shall, as a general rule, be conducted no later than thirty (30) days after the date of the filing of the last permissible responsive pleading, or the date upon which such pleading should have been filed, but not later than ninety (90) days from the date counsel for the defendant(s) has entered notice of appearance, regardless of whether a responsive pleading has been filed by that date.

The Court may, upon motion for good cause shown or sua sponte, order the conference to be held before such general time frame. Unless otherwise ordered, no Case Management Conference shall be held in any action in which the sole plaintiff or defendant is incarcerated and is appearing pro se.

(3) "Status Conference" is the mandatory hearing which is held at a time set by the judicial officer.

(4) "Case Management Plan" ("CMP") is the plan adopted by the Judicial Officer at the Case Management Conference and shall include the determination of track assignment, whether the case is suitable for reference to an ADR program, the type and extent of discovery, the setting of a discovery cut-off date, directions regarding the filing of discovery materials, deadline for filing motions, deadlines for amending pleadings and adding parties, and the date of the Status Conference.

(5) "Dispositive Motions" shall mean motions to dismiss pursuant to Fed. R. Civ. P. 12(b), motions for judgment on the pleadings pursuant to Fed. R. Civ. P. 12(c), motions for summary judgment pursuant to Fed. R. Civ. P. 56, or any other motion which, if granted, would result in the entry of judgment or dismissal, or would dispose of any claims or defenses, or would terminate the litigation.

(6) "Discovery cut-off" is that date by which all responses to written discovery shall be due according to the Federal Rules of Civil Procedure and by which all depositions shall be concluded. Counsel must initiate discovery requests and notice or subpoena depositions sufficiently in advance of the discovery cut-off date so as to comply with this rule, and discovery requests that seek responses or schedule depositions after the discovery cut-off are not enforceable except by order of the Court for good cause shown.

(c) **Date of DCM Application.** Local Rules 16.1 to 16.3 shall apply to all civil cases filed on or after January 1, 1992 and may be applied to civil cases filed before that date if the assigned Judge determines that inclusion in the DCM system is warranted and notifies the parties to that effect.

(d) **Conflicts with Other Rules.** In the event that Local Rules 16.1 to 16.3 conflict with other Local Rules adopted by the Northern District, Local Rules 16.1 to 16.3 shall prevail.

Last revised 6/4/07. See Historical Notes for full revision history.

Rule 16.2 Tracks and Evaluation of Cases

(a) Differentiation of Cases.

(1) Evaluation and Assignment. The Court shall evaluate and screen each civil case in accordance with subsection (b) of this Local Rule, and then assign each case to one of the case management tracks described in subsection (a)(2).

(2) Case Management Tracks. There shall be five (5) case management tracks, as follows:

(A) Expedited - Cases on the Expedited Track should be completed within nine (9) months or less after filing.

(B) Standard - Cases on the Standard Track should be completed within fifteen (15) months or less after filing.

(C) Complex -- Cases on the Complex Track should have the discovery cut-off established in the CMP and should have a case completion goal of no more than twenty-four (24) months.

(D) Administrative - Cases on the Administrative Track, except actions under 28 U.S.C. § 2254 and government collection cases in which no answer is filed, shall be referred by Court personnel directly to a Magistrate Judge for a report and recommendation. See Local Rule 72.2(b). Administrative Track cases shall be controlled by scheduling orders issued by the Judicial Officer. In actions for review of decisions by the Social Security Administration, such orders shall be pursuant to, and in accord with, the provisions of 16.3.1.

- (E) Expert Witnesses: More than three (3)
- (F) Likely Trial Days: More than ten (10)
- (G) Suitability for ADR: Moderate
- (H) Character and Nature of Damage Claims: Usually requiring expert testimony

(4) Administrative: Cases that, based on the Court's prior experience, are likely to result in default or consent judgments or can be resolved on the pleadings or by motion.

(5) Mass Tort: Factors to be considered for this track shall be identified in accordance with the special management plan adopted by the Court.

Rule 16.3 Track Assignment and Case Management Conference

(a) Notice of Track Recommendation and Case Management Conference.

(1) The Court may issue a track recommendation to the parties in advance of the Case Management Conference, or may reserve such determination for the Case Management Conference. If the notice of Case Management Conference does not contain a track recommendation, counsel must confer to determine whether they can agree to a track recommendation, which shall be subject to the Judicial Officer's approval at the Case Management Conference. The track recommendation shall be made in accordance with the factors identified in Local Rule 16.2(b).

(2) In any action in which the defendant (or all defendants in any action with multiple defendants) is in default of answer, no track recommendation will be made and no Case Management Conference held so long as such default continues. In such a case the plaintiff shall go forward and seek default judgment within one hundred and twenty (120) days of perfection of service (or of sending of a request for a waiver of service under Fed. R. Civ. P. 4(d)), or show cause why the action should not be dismissed for want of prosecution. If such default occurs and the party/parties in default is/are thereafter granted leave to plead, issuance of a track recommendation and scheduling of the Case Management Conference shall proceed in accordance herewith, based upon the date set for the filing of the responsive pleading.

(b) Case Management Conference.

(1) The Judicial Officer shall conduct the Case Management Conference. Lead counsel of record must participate in the Conference and parties must attend unless, upon motion with good cause shown or upon its own motion, the Judicial Officer allows the parties to be available for telephonic communication. Counsel, upon good cause shown, may seek leave to participate by telephone.

(2) The agenda for the Conference shall include:

- (A) Determination of track assignment;
- (B) Determination of whether there is any impediment to putting the case in the Court's electronic filing system;
- (C) Determination of whether the case is suitable for reference to an ADR program;
- (D) Determination of whether the parties consent to the jurisdiction of a Magistrate Judge pursuant to 28 U.S.C. § 636(c);
- (E) Disclosure of information that may be subject to discovery, including key documents and witness identification;
- (F) Determination of the type and extent of discovery, including the discovery of electronically stored information. If the parties

have not agreed on how to conduct electronic discovery, the default standard for discovery of electronically stored information attached as Appendix K shall apply;

(G) Determination of a whether an order is necessary to protect confidential information. A form protective order is attached as Appendix L;

(H) Setting of a discovery cut-off date;

(I) Setting of a deadline for joining other parties and amending the pleadings;

(J) Setting of deadline for filing motions; and

(K) Setting the date of the Status Conference.

(3) Except in categories of proceedings exempted from initial disclosure under Fed. R. Civ. P. 26(a)(1)(E), the parties must confer before the Fed. R. Civ. P. 16(b) conference. In addition to discussing the items identified in Fed. R. Civ. P. 26(f), counsel for all parties are directed to engage in meaningful discussions regarding any track recommendation issued by the Court and each of the other agenda items established by the Court. This discussion shall also be generally guided by the provisions of Fed. R. Civ. P. 26(f). The attorneys of record and all unrepresented parties that have appeared in the case are jointly responsible for arranging the conference. The parties must submit a report on their discussion at least seven days before the Fed. R. Civ. P. 16(b) conference. The Court shall provide forms to counsel for all parties for indicating the parties' positions regarding all such agenda items when it issues its track recommendation.

(4) At the conclusion of the Case Management Conference, the Judicial Officer shall prepare, file, and issue to the parties an order containing the Case Management Plan governing the litigation.

(c) Notification of Complex Litigation.

(1) Definitions.

(A) As used in this Rule, "Complex Litigation" has one or more of the following characteristics:

(i) it is related to one or more other cases;

(ii) it arises under the antitrust laws of the United States;

(iii) it involves more than five (5) real parties in interest;

(iv) it presents unusual or complex issues of fact;

(v) it involves problems which merit increased judicial supervision or special case management procedures.

(B) As used in this Rule, a "case" includes an action or a proceeding.

(C) As used in this Rule, a case is "related" to one or more other cases if:

(i) they involve the same parties and are based on the same or similar claims;

(ii) they involve the same property, transaction or event or the same series of transactions or events; or

(iii) they involve substantially the same facts.

(2) Notice Identifying Complex Litigation. An attorney who represents a party in Complex Litigation, as defined above, must, with the filing of the complaint, answer, motion, or other pleading, serve and file a statement which briefly describes the nature of the case, identifies by title and case number all other related case(s) filed in this and any other jurisdiction (federal or state) and identifies, where known, counsel for all other parties in the action who have not yet entered an appearance.

(3) Manual For Complex Litigation. Counsel for each of the parties receiving notice of a Case Management Conference must become familiar with the principles and suggestions contained in the most recent edition of the Manual for Complex Litigation.

(4) Case Management Conference. (See subsection (b)). In preparation for the Case Management Conference, at least seven (7) days prior to the date of the conference counsel for each party must file and serve a proposed agenda of the matters to be discussed at the conference. At the Case Management Conference, counsel for each party must be prepared to discuss preliminary views on the nature and dimensions of the litigation, the principal issues presented, the nature and extent of contemplated discovery, and the major procedural and substantive problems likely to be encountered in the management of the case. Coordination or consolidation with related litigation should be considered. Counsel should be prepared to suggest procedures and timetables for the efficient management of the case.

(5) Determination By Order Whether Case to be Treated as Complex Litigation. At the conclusion of the Case Management Conference, the Court shall prepare, file, and issue an order containing the Case Management Plan which shall set forth whether the case thereafter shall be treated as Complex Litigation pursuant to orders entered by the Court consistent with the principles

and suggestions contained in MCL 2d. An order under this subdivision may be conditional and may be altered and amended as the litigation progresses.

(6) Subsequent Proceedings.

(A) Once the Court has determined by order that an action shall be treated as Complex Litigation, thereafter the Court shall take such actions and enter such orders as the Court deems appropriate for the just, expeditious and inexpensive resolution of the litigation. Measures should be taken to facilitate communication and coordination among counsel and with the Court.

(B) Throughout the pendency of a case which has been determined to be treated as Complex Litigation, counsel for the parties are encouraged to submit suggestions and plans designed to clarify, narrow and resolve the issues and to move the case as efficiently and expeditiously as possible to a fair resolution.

(d) Status Conference. The parties, each of whom will have settlement authority, and lead counsel of record must participate in the Status Conference. The parties must participate in person unless, upon motion with good cause shown or upon its own motion, the Judicial Officer allows the parties to be available for telephonic communication. Counsel, upon good cause shown, may seek leave to participate by telephone. When the United States of America or any officer or agency thereof is a party, the federal attorney responsible for the case shall be deemed the authorized representative for the purpose of the Status Conference. At the Status Conference the Judicial Officer will:

- (1) review and address:

- (3) discuss setting a firm trial date.

If, for any reason, the assigned Judicial Officer is unable to hear the case within one week of its assigned trial date, the case shall be referred to the Chief Judge for reassignment to any available District Judge or, upon consent of the parties, Magistrate Judge for prompt trial.

(e) **Final Pretrial Conference.** A Final Pretrial Conference, if any, may be scheduled by the Judicial Officer at the Status Conference. The parties and lead counsel of record must be present at the conference. When the United States of America or any officer or agency thereof is a party, the federal attorney responsible for the case shall be deemed the authorized representative for the purpose of the Final Pretrial Conference. The Final Pretrial Conference shall be scheduled as close to the time of trial as reasonable under the circumstances. The Judicial Officer may, in the Judicial Officer's discretion, order the submission of pretrial memoranda.

(f) **Video and Telephone Conferences.** The use of telephone conference calls and, where appropriate, video conferencing for pretrial and status conferences is encouraged. The Court, upon motion by counsel or its own instance, may order pretrial and status conferences to be conducted by telephone conference calls. In addition, upon motion by any party and upon such terms as the Court may direct, the Court may enter an order in appropriate cases providing for the conduct of pretrial and status conferences by video conference equipment.

Rule 16.4 Alternative Dispute Resolution

(a) **Purpose.** The Court adopts Local Rules 16.4 to 16.7 to make available to the Court and the parties a program of court-annexed dispute resolution processes designed to provide alternatives to traditional litigation.

It is not contemplated that these processes will be suitable for every case. Rather, the Judges of the Court believe that the careful selection of processes to fit the cases will result in the efficient preparation and resolution of those cases, to the benefit of the parties, their counsel, and the Court.

(b) **Definitions.**

(1) The "assigned Judge" is the Judge to whom the case is assigned. If the Judge has referred the matter to a Magistrate Judge, the Magistrate Judge is the assigned Judge under Local Rules 16.4 to 16.10 with respect to actions or decisions which are to be made by the assigned Judge.

(2) "Early Neutral Evaluation" ("E.N.E.") is a pre-trial process involving a neutral who meets with the parties early in the course of the litigation to help them focus on the issues, organize discovery, work expeditiously to prepare the case for trial, and, if possible, settle all or part of the case. The neutral evaluator provides the parties with an evaluation of the legal and factual issues, to the extent possible, at that early stage of the case. The evaluation process described in Local Rule 16.5 is court-annexed.

(3) "Mediation" is a non-binding settlement process involving a neutral who helps the parties to overcome obstacles to effective negotiation. The mediation process described in Local Rule 16.6 is court-annexed.

(c) **The ADR Administrator.** The "ADR Administrator" is the person appointed by the Court with full authority and responsibility to direct the programs described in this Section. The ADR Administrator shall be a person with training and experience in the administration of ADR Programs. The ADR Administrator shall:

(1) Administer the selection, training, and use of the Federal Court Panel;

(2) Collect and maintain biographical data with respect to members of the Federal Court Panel to permit assignments commensurate with the experience, training, and expertise of the panelists and make the list of panelists and the biographical data available to parties and counsel;

(3) Prepare applications for funding of the ADR Program by the United States government and other parties;

(4) Prepare reports required by the United States government or other parties with respect to the use of funds in the operation and evaluation of the program;

(5) Develop and maintain such forms, records, docket control, and data as may be necessary to administer and evaluate the program;

(6) Periodically evaluate, or arrange for outside evaluation of, the ADR Program and report on that evaluation to the Court, making recommendations for changes in these Rules, if needed; and

(7) Develop, and make available upon request, lists of private or extra-judicial ADR providers.

Decisions of the ADR Administrator, acting within the authority conferred in these Rules, shall be orders of the Court for purposes of enforcement and sanctions.

(d) Federal Court Panel. There is hereby authorized the establishment of a Federal Court Panel consisting of persons who, by experience, training, and character, are qualified to act as neutrals in one or more of the processes provided for in these Rules.

(1) Appointment to the Panel. The Federal Court Panel shall consist of persons nominated by the Court's Advisory Group and confirmed by the Judges of the Court.

(2) Qualifications and Training.

(A) Panelists shall be lawyers who have been admitted to the practice of law for at least five (5) years and are currently either members of the bar of the United States District Court for the Northern District of Ohio or members of the faculty of an accredited Ohio law school. The Court may waive these requirements to appoint other qualified persons with special expertise in particular substantive fields or experience in dispute resolution processes.

(B) All persons selected as panelists shall:

(i) Undergo such dispute resolution training as the Court may prescribe;

(ii) Take the oath set forth in 28 U.S.C. § 453; and

(iii) Agree to follow the provisions of these Rules.

Each person shall be appointed as a Federal Court Panelist for a period of three (3) years. Appointment may be renewed upon a demonstration of continued qualification.

(3) Compensation of Panelists.

(A) The maximum hourly rate that may be charged by the panelist for court-annexed services shall be \$275.00 per hour. Unless otherwise agreed, the panelist's charge shall be split equally between the plaintiffs and the defendants.

(B) No compensation shall be provided for preparation time.

(C) If the Court determines that a party does not have the financial resources to pay the panelist's charge, the Court may assign a panelist who will provide four and one half (4 ½) hours of neutral service, in addition to any necessary preparation time, without charge. No panelist will be required to provide more than four and one half (4 ½) hours of free service per year.

(4) Immunity. All persons serving as Court appointed neutrals in the court-annexed ADR program are performing quasi-judicial functions and are entitled to the immunities and protections that the law accords to persons serving in such capacity.

(e) Referral to ADR. Parties are encouraged to use ADR for the resolution of their disputes, and the Judicial Officer shall guide the parties to an appropriate ADR process when, in the judgment of the Judicial Officer, such referral is warranted, and shall make the parties aware that a neutral may be selected through this Court's ADR Program. In the event it is a case referred to a Magistrate Judge for case management only, any reference to ADR may be made only with the approval of the District Judge to whom the case was assigned. Without leave of Court, neither the parties nor the neutral may modify the time allowed for completing an ADR process.

(f) Private ADR. If all parties advise the Court that they would prefer to use a private ADR process, the Court may permit them to do so at the expense of the parties subject to:

(1) The submission to the Court of an agreement, executed by the parties, providing for the conduct of the ADR process including, without limitation, confirming their agreement to use and pay for a private ADR process and explaining how a neutral will be selected;

(2) The filing with the Court, within ten (10) days of the completion of the ADR process, of a written report signed by the neutral or by the parties if no neutral was used.

Rule 16.5 Early Neutral Evaluation (E.N.E.)

(a) **Eligible Cases.** Any civil case may be referred to E.N.E.

(b) **Selection of Cases.** A case may be selected for E.N.E.:

(1) By the Court at the Case Management Conference (See Local Rule 16.1(b)(2)); or

(2) At any time:

(A) By the Court on its own motion, in consultation with the parties;

(B) By the Court, on the motion of one of the parties; or

(C) By stipulation of all parties.

(c) **Administrative Procedure.**

(1) Upon notice that a case has been referred for court-annexed E.N.E., the ADR Administrator will promptly provide the parties with a Notice of Referral, listing of available panelists who are qualified to deal with the subject matter of the lawsuit. The parties shall confer with each other within ten (10) days after receiving the written Notice of Referral and provide the ADR Administrator with an agreed list of three proposed evaluators, ranked in order of preference. In the event of multiple parties not united in interest, the parties shall add the name of one proposed evaluator for each such additional party.

If the parties fail to provide the ADR Administrator with an agreed list of at least three proposed evaluators, the ADR Administrator shall select from the list of available panelists provided to the parties an evaluator who is qualified to deal with the subject matter of the lawsuit. The ADR Administrator shall make a preliminary determination that the proposed evaluator has no conflicts of interest and that the proposed evaluator can serve.

Nothing in this Rule shall limit the right of the parties, with consent of the Court, to select a person of their own choosing to act as an evaluator hereunder.

(2) The ADR Administrator shall contact the proposed evaluator(s), in the order of preference provided by the parties, concerning potential conflicts of interest and scheduling. Once a determination has been made that a proposed evaluator can serve, the ADR Administrator shall provide written Notice of Designation (which shall include the name, address and telephone number of the chosen panelist, hereafter, the "Evaluator") to counsel for all parties (or to parties not yet represented by counsel) and to the Evaluator. If, after Notice of

Designation is given or sent, a new party is joined in the action, the ADR Administrator shall promptly send that new party a copy of the Notice of Designation.

(3) Promptly after receiving the Notice of Designation, the Evaluator shall schedule the evaluation session which, unless otherwise ordered by the Court, shall be not more than thirty (30) days from the date of the written Notice of Designation. The Evaluator shall send written notice to all parties and to the ADR Administrator advising them as to the date, time and location of the evaluation session.

(4) Without leave of Court, neither the parties nor the neutral may modify the time allowed for completing an ADR process.

(d) Neutrality of Evaluator. If at any time the Evaluator becomes aware of or a party raises an issue with respect to the Evaluator's neutrality because of some interest in the case or because of a relationship or affiliation with one of the parties, the Evaluator shall disclose the facts with respect to the issue to all of the parties. If a party requests that the Evaluator withdraw because of the facts so disclosed, the Evaluator may withdraw and request that the ADR Administrator appoint another evaluator. If the Evaluator determines that withdrawal is not warranted, the Evaluator may elect to continue. The objecting party may then request the ADR Administrator to remove the Evaluator. The ADR Administrator may remove the Evaluator and choose another from the Federal Court Panel. If the ADR Administrator decides that the objection is unwarranted, the evaluation session shall proceed as scheduled, or, if delay was necessary, as soon after the scheduled date as possible.

(e) Written Submissions to the Evaluator.

(1) No later than five (5) days before the evaluation session, each party shall submit to the Evaluator and serve on all other parties a written evaluation statement. The statement shall not exceed ten (10) pages and shall conform to this Rule. The statement shall:

(A) Identify the person, in addition to counsel, who will attend the session as a representative of the party with decision making authority;

(B) Identify any legal or factual issues whose early resolution might reduce the scope of the dispute or contribute to settlement;

(C) Describe discovery which is contemplated; and,

(D) Include as exhibits copies of all pleadings filed by the party submitting the written statement.

The statement may include any other information the party believes useful in preparing the Evaluator and other parties for a productive session. The statement may identify individuals connected to another person (including a representative of an insurer) whose presence would be helpful or necessary to make the session productive. The Evaluator shall determine whether any person so identified should be requested to attend and may make such request.

(2) Written evaluation statements shall not be filed and shall not be shown to the Court.

(3) In addition to submitting the written evaluation statement, the parties shall prepare to respond fully and candidly in a private caucus to questions by the Evaluator concerning:

(A) The estimated costs to that party of litigating the case through trial, including legal fees;

(B) Witnesses (both lay witnesses and experts);

(C) Damages, including the method of computation and the proof to be offered; and

(D) Plans for discovery.

(f) Attendance at the Evaluation Conference.

(1) All parties shall be present, except that when a party is other than an individual or when a party's interests are being represented by an insurance company, an authorized representative of such party or insurance company, with full authority to act and to settle, shall attend. Willful failure of a party to attend the evaluation conference shall be reported by the Evaluator to the ADR Administrator for transmittal to the assigned Judge, who may impose appropriate sanctions.

(2) Each party shall be represented at the session by the attorney expected to be primarily responsible for handling the trial of the case.

(g) Procedure at Evaluation Conferences.

(1) Each E.N.E. conference shall be informal. The Evaluator shall conduct the process in order to help the parties to focus the issues and to work efficiently and expeditiously to make the case ready for trial or settlement.

(2) At the initial conference, and at additional conferences as the Evaluator deems appropriate, the Evaluator shall:

(A) Permit each party to make a brief oral presentation of its position, without interruption, through counsel or otherwise;

(B) Help the parties to identify areas of agreement and, if feasible, enter stipulations;

(C) Determine whether the parties wish to negotiate, with or without the Evaluator's assistance, before evaluation of the case;

(D) Help the parties identify issues and assess the relative strengths and weaknesses of the parties' positions;

(E) Help the parties to agree on a plan for exchanging information and conducting discovery which will enable them to prepare expeditiously for the resolution of the case by trial, settlement, or dispositive motion;

(F) Help the parties to assess litigation costs realistically;

(G) Determine whether one or more additional conferences would assist in the settlement or case development process and, if so, schedule the conference and direct the parties to prepare and submit any additional written materials needed for the conference;

(H) At the final conference (which may be the initial conference), give an evaluation of the strengths and weaknesses of each party's case and of the probable outcome if the case is tried, including, if feasible, the dollar value of each claim and counterclaim;

(I) Advise the parties, if appropriate, about the availability of ADR processes that might assist in resolving the dispute; and

(J) Report to the ADR Administrator in writing within ten (10) days of the close of the E.N.E. conference: the fact that the E.N.E. process was completed, any agreements reached by the parties, and the Evaluator's recommendation, if any, as to future ADR processes that might assist in resolving the dispute.

(3) The Evaluator may, subject to the requirements stated in this Rule:

(A) Determine how to structure the evaluation conference;

(B) Hold separate, private caucuses with any party or counsel but may not, without the consent of that party or counsel, disclose the contents of that discussion to any other party or counsel; and

(C) Act as a mediator or otherwise assist in settlement negotiations either before or after presenting the evaluation called for in subsection (g)(2)(H) of this Rule.

(h) Confidentiality. The entire E.N.E. process is confidential, and privileged to the extent provided under Ohio Rev. Code Ch. 2710 and Sixth Circuit law. The parties and the Evaluator shall not disclose information regarding the process, including settlement terms, to the Court or to third persons unless all parties otherwise agree. Parties, counsel, and evaluators may, however, respond to confidential inquiries or surveys by persons authorized by the Court to evaluate the E.N.E. program. Information provided in such inquiries or surveys shall remain confidential and shall not be identified with particular cases.

The E.N.E. process shall be treated as a compromise negotiation for purposes of the Federal Rules of Evidence and state rules of evidence. The Evaluator is disqualified as a witness, consultant, attorney, or expert in any pending or future action relating to the dispute, including actions between persons not parties to the E.N.E. process.

Rule 16.6 Mediation

(a) **Eligible Cases.** Any civil case may be referred to mediation.

(b) **Selection of Cases.**

(1) **When Selected.** A case may be selected for mediation:

(A) When the status of discovery is such that the parties are generally aware of the strengths and weaknesses of the case; or

(B) At any earlier time by agreement of the parties and with the approval of the Court.

(2) **How Selected.** A case may be selected for mediation:

(A) By the Court on its own motion, in consultation with the parties;

(B) By the Court, on motion of one of the parties; or

(C) By stipulation of all parties.

(3) **Objection to Mediation.**

(A) For good cause, a party may object to the referral to mediation by the Court on its own motion by filing a written request for reconsideration within ten (10) days of the date of the Court's order.

(B) Mediation processes shall be stayed pending decision on the request for reconsideration, unless otherwise ordered by the Court.

(c) **Administrative Procedure.**

(1) Upon notice that a case has been referred to Mediation, the ADR Administrator will promptly provide the parties with a Notice of Referral, listing of available panelists who are qualified to deal with the subject matter of the lawsuit. The parties shall confer with each other within ten (10) days after receiving the written Notice of Referral and provide the ADR Administrator with an agreed list of three proposed mediators, ranked in order of preference. In the event of multiple parties not united in interest, the parties shall add the name of one proposed mediator for each such additional party.

If the parties fail to provide the ADR Administrator with an agreed list of at least three proposed mediators, the ADR Administrator shall select from the list of available panelists provided to the parties a mediator who is qualified to deal with the subject matter of the lawsuit. The ADR Administrator shall make a

preliminary determination that the proposed mediator has no conflicts of interest and that the proposed mediator can serve.

Nothing in this Rule shall limit the right of the parties, with consent of the Court, to select a person of their own choosing to act as a mediator hereunder.

(2) The ADR Administrator shall contact the proposed mediator(s), in the order of preference provided by the parties, concerning potential conflicts of interest and scheduling. Once a determination has been made that a proposed mediator can serve, the ADR Administrator shall provide written Notice of Designation (which shall include the name, address and telephone number of the chosen panelist, hereafter, the “Mediator”) to counsel for all parties (or to parties not yet represented by counsel) and to the Mediator. If, after Notice of Designation is given or sent, a new party is joined in the action, the ADR Administrator shall promptly send that new party a copy of the Notice of Designation.

(3) Promptly after receiving the Notice of Designation, the Mediator shall schedule the mediation conference which, unless otherwise ordered by the Court, shall not be more than thirty (30) days from the date of written Notice of Designation. The Mediator shall send written notice to all parties and to the ADR Administrator advising them as to the date, time and location of the mediation conference.

(4) Without leave of Court, neither the parties nor the neutral may modify the time allowed for completing an ADR process.

(d) Neutrality of Mediator. If at any time the Mediator becomes aware of or a party raises an issue with respect to the Mediator's neutrality because of some interest in the case or because of a relationship or affiliation with one of the parties, the Mediator shall disclose the facts with respect to the issue to all of the parties. If a party requests that the Mediator withdraw because of the facts so disclosed, the Mediator may withdraw and request that the ADR Administrator appoint another mediator. If the Mediator determines that withdrawal is not warranted, the Mediator may elect to continue. The objecting party may then request the ADR Administrator to remove the Mediator. The ADR Administrator may remove the Mediator and choose another from the Federal Court Panel. If the ADR Administrator decides that the objection is unwarranted, the mediation conference shall proceed as scheduled or, if delay was necessary, as soon after the scheduled date as possible.

(e) Written Submissions to Mediator.

(1) At least five (5) days before the mediation conference, the parties shall submit to the Mediator:

(A) Copies of relevant pleadings and motions;

(B) A short memorandum stating the legal and factual positions of each party respecting the issues in dispute; and

(C) Such other material as each party believes would be beneficial to the Mediator.

(2) Upon reviewing such material, the Mediator may, at his or her own discretion or on the motion of a party, schedule a preliminary meeting with counsel.

(3) Written mediation memoranda shall not be filed and shall not be shown to the Court.

(f) Attendance at Mediation Conference. The attorney who is primarily responsible for each party's case shall personally attend the mediation conference and shall be prepared and authorized to discuss all relevant issues, including settlement. The parties shall also be present, except that when a party is other than an individual or when a party's interests are being represented by an insurance company, an authorized representative of such party or insurance company, with full authority to settle, shall attend. Willful failure of a party to attend the mediation conference shall be reported by the Mediator to the ADR Administrator for transmittal to the assigned Judge, who may impose appropriate sanctions.

(g) Procedure at Mediation Conference.

(1) The mediation conference, and such additional conferences as the Mediator deems appropriate, shall be informal. The Mediator shall conduct the process in order to assist the parties in arriving at a settlement of all or some of the issues involved in the case.

(2) The Mediator may hold separate, private caucuses with any party or counsel but may not, without the consent of that party or counsel, disclose the contents of that discussion to any other party or counsel.

(3) If the parties have failed, after reasonable efforts, to develop settlement terms, or if the parties request, the Mediator may submit to the parties a final settlement proposal which the Mediator believes to be fair. The parties will carefully consider such proposal and, at the request of the Mediator, will discuss the proposal with him or her. The Mediator may comment on questions of law at any appropriate time.

(4) The Mediator may conclude the process when:

(A) A settlement is reached; or

(B) The Mediator concludes, and informs the parties, that further efforts would not be useful.

(5) Within ten (10) days of the close of the mediation conference, the Mediator shall report in writing to the ADR Administrator that the mediation was held, whether the mediation has resulted in a settlement and;

(A) If a settlement agreement is reached, the Mediator shall report the time frame within which the parties will submit an agreed entry to the Court concluding the matter or, if required, seeking the Court's approval of the settlement terms.

(B) If a settlement agreement is not reached, the Mediator shall report in writing to the ADR Administrator any agreements reached by the parties, and the Mediator's recommendation, if any, as to future processing of the case.

(h) Confidentiality. The entire mediation process is confidential and privileged to the extent provided under Ohio Rev. Code ch. 2710 and Sixth Circuit Law. The parties and the Mediator may not disclose information regarding the process, including settlement terms, to the Court or to third persons unless all parties otherwise agree. Parties, counsel, and mediators may, however, respond to confidential inquiries or surveys by persons authorized by the Court to evaluate the mediation program. Information provided in such inquiries or surveys shall remain confidential and shall not be identified with particular cases.

The mediation process shall be treated as a compromise negotiation for purposes of the Federal Rules of Evidence and state rules of evidence. The Mediator is disqualified as a witness, consultant, attorney, or expert in any pending or future action relating to the dispute, including actions between persons not parties to the mediation process.

Rule 16.7 Other ADR Procedures

A Judge may utilize other methods of court-annexed alternative dispute resolution procedures, including Summary Jury Trials, Summary Bench Trials, and Arbitration, or recommend or facilitate the use of any extrajudicial procedures for dispute resolution not otherwise provided for by these Local Rules.

In the event a reference to extrajudicial procedures is made, all further court-annexed case management procedures may be stayed and an administrative closing of the case may be made pursuant to Administrative Office guidelines for cases in which all presently contemplated proceedings have been completed. (See Guide to Judiciary Policies and Procedures, Volume XI, Chapter 5, Subsection III, H, p. 26).

If the case is resolved extrajudicially, then the administrative closing order may be supplemented with a terminal dispositive order. If the case is not resolved extrajudicially, the case may be returned to a court-annexed case management protocol for processing and ultimate disposition.

Rule 23.1 Class Actions

(a) **Designation.** In any case sought to be maintained as a class action, the complaint, or other pleading asserting a class action, shall include, next to its caption, the legend "Class Action."

(b) **Class Action Allegations.** The complaint, or other pleading asserting a class action, shall contain, under a separate heading styled "Class Action Allegations," the following:

(1) A reference to the portion or portions of Fed. R. Civ. P. 23 under which it is claimed that the suit is properly maintainable as a class action; and

(2) Appropriate allegations thought to justify such claim, including, but not necessarily limited to:

(B) the bases upon which the party or parties maintaining the class action or other parties claiming to represent the class are alleged to be an adequate representative(s) of the class;

(C) the alleged questions of law and fact claimed to be common to the class; and

(D) in actions claimed to be maintainable as class actions under Fed. R. Civ. P. 23(b)(3), allegations intended to support the findings required by that subdivision.

(c) **Class Action Determination.** Unless the Court otherwise orders, the party or parties asserting a class action shall, within ninety (90) days after the filing of a pleading asserting the existence of a class or within such other period of time mandated by controlling statute, move for a determination under Fed. R. Civ. P. 23(c)(1), whether the action is to be maintained and, if so, the membership of the class. As soon as practicable after the motion papers for and against class action determination have been submitted, the Court shall enter an order determining whether the action shall be so maintained. Nothing in this Rule shall preclude any party from moving to strike the class action allegations.

Rule 24.1 Procedure for Notification of Any Claim of Unconstitutionality

(a) In any action, suit, or proceeding in which the United States or any agency, officer, or employee thereof is not a party and in which the constitutionality of an Act of Congress affecting the public interest is drawn into question, or in any action, suit, or proceeding in which a state or any agency, officer, or employee thereof is not a party, and in which the constitutionality of any statute of that state affecting the public interest is drawn into question, the party raising the constitutional issue shall notify the Court of the existence of the question by stating on the pleading that alleges the unconstitutionality, immediately following the title of that pleading, "Claim of Unconstitutionality" or the equivalent.

(b) Failure to comply with this Rule will not be grounds for waiving the constitutional issue or for waiving any other rights the party may have. Any notice provided under this Rule, or lack of notice, will not serve as a substitute for, or as a waiver of, any pleading requirement set forth in the Federal Rules of Civil Procedure or in statutes.

Rule 26.1 Discovery - General

The parties are encouraged to cooperate with each other in arranging and conducting discovery, including discovery involved in any ADR program. Discovery must be conducted according to limitations established at the Case Management Conference and confirmed in the Case Management Plan. Absent leave of court, the parties have no authority to modify the limitations placed on discovery by court order. Attorneys serving discovery requests must review them to ascertain that they are applicable to the facts and contentions of the particular case. Form discovery pleadings containing requests that are irrelevant to the facts and contentions of the particular case must not be used.

Rule 30.1 Conduct at Depositions

(a) Witnesses, parties, and counsel must conduct themselves at depositions in a temperate, dignified, and responsible manner.

(b) The following guidelines for the taking of depositions emphasize the expectations of the Court as to certain issues; they are intended to supplement Fed. R. Civ. P. 26 and 30.

(1) Scheduling. Counsel are expected to make a timely and good faith effort to confer and agree to schedules for the taking of depositions. Unless counsel otherwise agree, depositions must be conducted during normal business hours. Except where good cause exists, no Notice of Deposition or Subpoena can issue prior to a scheduling conference with opposing counsel. Counsel for the deponent must not cancel a deposition without stipulation of the examining counsel or order of the Court.

(2) Decorum. Opposing counsel and the deponent must be treated with civility and respect. Ordinarily the deponent must be permitted to complete an answer without interruption by counsel.

(3) Objections. Objections must be limited to (a) those that would be waived if not made pursuant to Fed. R. Civ. P. 32(d)(3) and (b) those necessary to assert a privilege, enforce a limitation on evidence directed by the Court or present a motion under Fed. R. Civ. P. 30(d)(3). No other objections can be raised during the course of the deposition. In the event privilege is claimed, examining counsel may make appropriate inquiry about the basis for asserting the privilege.

(4) Speaking Objections. Speaking objections that refer to the facts of the case or suggest an answer to the deponent are improper and must not be made in the presence of the deponent.

(5) Witness Preparation. Preparation of the deponent must be completed prior to the taking of the deposition. While a question is pending, counsel for the deponent and the deponent must not confer, except for the purpose of deciding whether to assert a privilege.

(6) Documents. Examining counsel must provide counsel for the deponent with copies of all documents shown to the deponent during the deposition.

(7) Disputes. Counsel must comply with Local Rule 37.1 as to any disputes arising in connection with the taking of a deposition.

Rule 32.1 Videotape Depositions

(a) **General.** The use at trial of videotape depositions in civil cases is encouraged. Insofar as possible, the technology of videotape equipment should be utilized to enable the jury to obtain the same factual presentation as would be obtainable if the witness were to appear live in the courtroom. Counsel may, if desired, use multiple cameras and be videotaped while interrogating the deponent or appear with the deponent during all or part of the interrogation.

(b) Guidelines.

(1) **Objective.** The objective of each videotape deposition shall be to provide a visual and audio record that will, as nearly as possible, approximate the live appearance of the deponent before the trier of fact.

(2) **Deposition Officer.** The officer presiding at a videotape deposition shall be independent of any of the parties or the counsel of any of the parties. The deposition officer shall be a person authorized under the law to administer an oath to the witness. The deposition officer may also be either the stenographer recording the proceeding or the camera person recording the proceeding by videotape.

(3) **The Camera Person or Persons.** Counsel for the party noticing the deposition shall be responsible for providing the camera person or persons to record the deposition by videotape. If such camera person or persons is other than the deposition officer, such person may be anyone selected by the counsel noticing the deposition, including an employee of counsel. It will be the obligation of the counsel seeking the deposition to determine that matters of staging and technique such as the placement of the camera(s) and any microphone(s), lighting, camera angles, and backgrounds, as well as the use of any demonstrations or exhibits do fairly, accurately and objectively reproduce and record the testimony. Any objections as to any of the proceedings in the taking of the deposition shall be accurately recorded and timely interposed so that the opposing counsel, insofar as possible, may take corrective action. The Court shall ultimately rule on all objections and make such orders as the Court deems appropriate for the editing of any videotape deposition to prevent prejudice to any of the parties to the action.

(4) **Use of Date/Time Generator.** There shall be employed at the deposition a date/time generator to create on the videotape a continuous record of the date and time.

(5) **Commencing the Deposition.** The deposition officer shall commence the deposition by stating on the videotape record his or her name and business address; the name and business address of the officer's employer; the date, time, and place; the name of the deponent and the caption of the action; the identity of

the party on whose behalf the deposition is being taken; and the names of all persons present in the deposition room. The deposition officer shall also swear, on the videotape record, that he or she will record the deposition accurately and abide by all provisions of this Rule. The deponent shall be sworn on the videotape record by a person authorized to administer oaths.

(6) Going "Off Camera". The deposition officer shall not stop the videotape recorder after the deposition commences until it concludes, except, however, that any party may request such cessation, which request will be honored unless another party objects. Each time the tape is stopped or started, the deposition officer shall announce the time on the record.

(7) Changing Tapes. If the deposition requires the use of more than one tape, the end of each tape and the beginning of the next shall be announced orally on the videotape record by the deposition officer. In addition, at the beginning of each tape, the deposition officer shall repeat the officer's name and business address, the date, time, and place of the deposition, and the name of the deponent. At the end of the deposition, the deposition officer shall state on the record that the deposition is complete.

(8) Availability of Monitor. There shall be available to counsel throughout the deposition a monitor on which they can view the videotape record as it is being made.

(9) Exhibitions and Demonstrations. A deponent shall be permitted to conduct demonstrations or experiments or reenact physical events during the course of a videotape deposition. Likewise, a party shall be entitled to utilize with the deponent any visual aids or exhibits in such manner as though the witness were appearing live in Court. Counsel may appear with the deponent in the videotape. Any opposing counsel may interpose any objection which he or she deems appropriate to the use of such demonstrations, experiments, or reenactments or visual aids or exhibits, and the Court shall ultimately rule upon such objections and determine whether or not the matter objected to is to be shown to the jury or edited out of the videotape.

(10) Need to Object Timely. Wherever objections are permitted by this Rule, such objections must be timely raised so as to give the opposing party an opportunity to correct the condition which is the subject of the objection.

(11) Recording. The party taking the deposition shall state in the notice the method by which the testimony shall be recorded. Unless the Court orders otherwise, it may be recorded by sound, sound-and-visual, or stenographic means, and the party taking the deposition shall bear the cost of the recording. Any party may arrange for a transcription to be made from the recording of a deposition taken by nonstenographic means.

(12) Discrepancies Between Videotape and Stenographic Records. In the event of any material discrepancy between the videotape record and the stenographic transcript, the Court shall determine which record shall be submitted to the trier of fact.

(13) Examination and Correction of Deposition Record. If requested by the deponent or a party before completion of the deposition, after the stenographic transcript of the deposition is completed and available for inspection, the deposition officer shall notify the deponent of such availability. The deponent shall be given thirty (30) days from receipt of such notice to review the original videotape and stenographic transcript of the deposition and to request in writing (or on the videotape record if it is still open) any changes or corrections in such records.

(14) Waiver of Execution. Forty-five (45) days after the notice of availability described in subsection (b)(13) is received by all parties, the original of the videotape and stenographic reporting (together with all requests for changes or corrections theretofore received) shall be filed with the Clerk, where it shall have the same force and effect as a duly executed original stenographic transcript of the deponent's testimony. The Clerk shall release the original videotape for viewing only upon order of the Court.

(15) Certification of the Videotape Record. No later than ten (10) days before trial, the deposition officer and any other technician employed at the deposition shall file with the Clerk their sworn statements that the videotape is an accurate and complete record of the deposition and that they have complied with all provisions of this Rule and the Federal Rules of Civil Procedure applicable to a stenographic reporter or the deposition officer. The certification shall indicate whether any review of the record was requested and, if so, shall append any changes made by the deponent during the period allowed. Counsel for a party, however, if in custody of the videotape record, may file the videotape record and prepare the sworn statement and sign it as counsel. The sworn statement called for by this section shall be served upon all of the parties.

(16) Custody of the Tape. The deposition officer shall maintain custody of the original tape until it is filed with the Court. Parties may view the tape while it is in the officer's custody, but only under conditions that make impossible the erasure or alteration of the tape. The parties may agree that counsel for the party noticing the deposition retain custody of the tape in which event it will be the responsibility of such counsel to file the sworn statement called for under subsection (b)(15) of this Rule.

(17) Editing the Tape. If any party desires to offer any portion of the videotape record at trial, such party shall, no later than five (5) days before trial, advise all other parties of the portions of the tape it wishes to offer. Any party who believes that the portion so designated contains objectionable material may,

by motion, seek the Court's ruling on its admissibility in advance of trial. An edited tape, eliminating material found by the Court to be objectionable, shall be prepared at the expense of the party responsible for the original inclusion of that material, unless the parties provide, or the Court orders, another method for the suppression of the objectionable material or allocation of cost. Nothing in this paragraph is intended to supersede the Local Rules concerning premarking of exhibits for trial.

(18) Rulings on Admissibility. The Court, prior to voir dire, shall make rulings as they relate to any videotape deposition filed in accordance with subsection (b)(17) of this Rule, which rulings will include any orders that may require editing of the videotape prior to its being shown to the jury. It will be the responsibility of counsel proffering the videotape deposition to ascertain that the final form of the videotape deposition as shall be shown to the jury conforms to all such rulings. The purpose of such rulings prior to voir dire is to advise the parties prior to voir dire and opening statements so that the parties will know what evidence will be forthcoming from the videotape deposition.

Rule 37.1 Discovery Disputes

(a) In the absence of a Judicial Officer establishing an alternative procedure for handling discovery disputes, the following procedure shall apply.

(1) Discovery disputes shall be referred to a Judicial Officer only after counsel for the party seeking the disputed discovery has made, and certified to the Court the making of, sincere, good faith efforts to resolve such disputes.

(2) The Judicial Officer may attempt to resolve the discovery dispute by telephone conference.

(3) In the event the dispute is not resolved by the telephone conference, the parties shall outline their respective positions by letter and the Judicial Officer shall attempt to resolve the dispute without additional legal memoranda.

(4) If the Judicial Officer still is unable to resolve the dispute, the parties may file their respective memoranda in support of and in opposition to the requested discovery by a date set by the Judicial Officer, who may schedule a hearing on the motion to compel.

(b) No discovery dispute shall be brought to the attention of the Court, and no motion to compel may be filed, more than ten (10) days after the discovery cut-off date.

Multiple items may precede a single argument if they present common or related issues of fact and law. If there has been no response to the request for discovery or request for admission, or a complete failure to comply with such request, the moving party may append a copy of the interrogatories, document request, request for admission or deposition notice as an exhibit to the brief in lieu of copying the same in the body of the brief.

This notation will serve as a sufficient demand under Fed. R. Civ. P. 38(b). Failure to use this manner in noting the demand will not result in a waiver under Fed. R. Civ. P. 38(d).

An index of the exhibits to be used at trial, along with a brief description of such exhibits, shall be filed with the Court and served upon opposing counsel no later than one week before the final pretrial.

(c) **Retention and disposal of exhibits.**

(1) **Retention of exhibits by counsel.** All models, diagrams, and exhibits of material filed or placed in the custody of the Clerk of Court for inspection of the Court on the hearing of a cause shall be taken by the party presenting the model, diagram, or exhibit at the conclusion of the hearing unless a party should object and request that the item be retained by the Clerk of Court and the Clerk is so ordered by the Court in writing. It shall be the responsibility of the party offering the model, diagram, or exhibit to maintain the offered or accepted exhibits until after the entry of final judgment or final judgment on appeal on matters appealed, whichever is later, unless directed otherwise by the Court. Upon motion of either party and/or the Court's order, when a demonstrative exhibit is retained by counsel, a picture or other paper record must be substituted for the exhibit.

Rule 83.5 Admission of Attorneys to Practice in the Northern District of Ohio

(a) **Roll of Attorneys.** The Bar of this United States District Court for the Northern District of Ohio consists of those admitted to practice before this Court who have taken the oath prescribed by the Rules in force when they were admitted.

No person shall be permitted to practice in this Court or before any officer thereof as an attorney or to commence, conduct, prosecute, or defend any action, proceeding, or claim in which such person is not a party concerned, either by using or subscribing his or her own name or the name of any other person, unless he or she has been previously admitted to the Bar of this Court.

(b) **Bar Admission.** It shall be requisite to the admission of attorneys to practice in this Court that they shall have been admitted to practice in the highest court of any state, territory, the District of Columbia, an insular possession, or in any district court of the United States, that they are currently in good standing with such court and that their private and professional characters appear to be good. All attorneys admitted to practice in this Court shall be bound by the ethical standards of the Ohio Rules of Professional Conduct adopted by the Supreme Court of Ohio, so far as they are not inconsistent with federal law.

(c) **Local Office Requirement.** Unless otherwise ordered by the Court, it shall not be necessary for any attorney entitled to practice before the District Court or permitted to appear and participate in a case or proceeding to associate with or to designate an attorney with an office in this district upon whom notices, rulings, and communications may be served.

(d) **Admission by Clerk.** Each applicant shall file with the Clerk (1) a certificate from the presiding Judge or Clerk of the proper court evidencing the applicant's admission to practice there and that he or she is presently in good standing, (2) the applicant's personal statement, on the form approved by the Court and furnished by the Clerk, which shall be endorsed by two members of the Bar of this Court who are not related to the applicant, (3) Oath or Affirmation of Admission, and (4) evidence of attendance at a Northern District of Ohio federal district court practice seminar.

If the documents submitted by the applicant demonstrate that he or she possesses the necessary qualifications, the Clerk shall so notify or advise the applicant, and he or she may be admitted without appearing in Court.

(e) **Admission Upon Motion to the Court.** If the applicant so elects, rather than filing with the Clerk the certificate and statement required by subsection (d), he or she may be admitted by the Court on oral motion by a member of the Bar, provided that it appears from the motion or the statement of the applicant to the Court that he or she has satisfied the requirements of admission.

(f) Oath or Affirmation. Each applicant shall subscribe or take the following oath or affirmation, viz.:

I, [Name], do solemnly swear (or affirm) that as an attorney of this Court I will conduct myself uprightly, according to the law and the ethical standards of the Ohio Rules of Professional Conduct adopted by the Supreme Court of Ohio, so far as they are not inconsistent with Federal Law, and that I will support the Constitution and laws of the United States.

(g) Admission and Fees. All attorneys admitted to practice in this Court under this Rule shall pay to the Clerk the admission fee prescribed by the Judicial Conference of the United States and such other fees as may from time to time be required by General Order of this Court (such as a library fee).

(h) Permission to Participate in Particular Case. The Court's strong preference is that attorneys seek permanent admission to the Bar of this Court, however, any member in good standing of the Bar of any court of the United States or of the highest court of any state may, upon written or oral motion and payment of the pro hac vice admission fee (which is \$120.00), be permitted to appear and participate in a particular case, or in a group of related cases. An attorney must pay the pro hac vice admission fee each time he or she seeks pro hac vice status. A certificate of good standing not older than 30 days from the aforementioned court(s) or an affidavit swearing to applicant's current good standing must accompany the motion for admission pro hac vice along with a check for the pro hac vice admission fee payable to: Clerk, U.S. District Court. In addition to showing proof of current good standing, any attorney moving for admission pro hac vice must contemporaneously provide his or her typewritten name, address, telephone number, facsimile number, e-mail address, highest state court admitted, highest state court admission date, highest state court bar registration number, a statement, including specific details, indicating whether the attorney has ever been disbarred or suspended from practice before any court, department, bureau or commission of any State or the United States, or has ever received any reprimand from any such court, department, bureau or commission pertaining to conduct or fitness as a member of the bar.

(i) Change of Address. All attorneys admitted to practice in this Court are required to submit a written notice of a change of business address and/or email address to the Clerk upon the change in address.

(j) Continuing Maintenance of Good Standing. It shall be requisite to the continuing eligibility of attorneys to practice in this Court that they are currently in good standing with the highest court of any state, territory, the District of Columbia, an insular possession, or in any district court of the United States, and that their private and professional characters appear to be good. All attorneys admitted to practice in this Court are deemed by their signature on any pleading, written motion, and other paper to certify that they are currently in good standing of the Bar of a Court of the United States or of the highest court of any state. Should the status of an attorney change so that they are no

longer in good standing in such court, they shall notify the Clerk of Court of this Court in writing no later than 10 days from the change in status.

(k) **Attorneys for the United States of America.** Attorneys for the United States are permitted to appear on behalf of the United States upon filing the applicant's personal statement, on the form approved by the Court and furnished by the Clerk, and the Oath or Affirmation of Admission. The admission fee required by subsection (g) is waived.

(l) **Southern District of Ohio Reciprocity Agreement.** The Northern District of Ohio has agreed, pursuant to General Order 2003-44, to waive the requirements that an attorney provide evidence of attendance at a federal district court seminar and that the applicant's personal statement be endorsed by two members of the bar of the Court, so long as the applicant submits a certificate of good standing from the Southern District of Ohio showing that the attorney has been admitted to practice for at least the past two years, or that this Court can readily verify the same, and the applicant complies with all other Northern Ohio admission requirements, including the payment of fees.

(m) **Waiver of Attendance at a Northern District of Ohio Federal District Court Practice Seminar.** Applicant may be granted reciprocity if applicant resides outside the State of Ohio and is admitted to the Bar of a U.S. District Court located outside the State of Ohio, and has taken a federal court practice seminar other than the Northern District of Ohio federal district court practice seminar. Rule 83.6 Appearance and Practice by Law Students

Under the supervision of an attorney licensed to practice before this Court, a student who (1) is enrolled in a school of law accredited by the American Bar Association or holding membership in the Association of American Law Schools, and (2) has completed one-half of the credit hours required for graduation may, with the consent of the trial judge, participate as though he or she were a duly-licensed attorney in causes pending before this Court, to the extent authorized by this Rule. Such student participation shall be limited to the following situations:

(a) In all cases, parties to the litigation shall have advised the Court that they agree to the student's participation and that full explanation has been made of the student's status.

(b) In all cases, the student shall receive no compensation, directly or indirectly, for participation, other than the award of academic credit by the student's law school. This Rule shall not preclude a person who is salaried by a nonprofit agency (e.g., Legal Aid Office) from engaging in a student practice pursuant to this Rule.

(c) In civil matters, a student may participate as requested by attorneys employed by or associated with a legal services program or law school clinical program in matters arising from such employment or association.

(d) In habeas corpus and post-conviction cases, a student may participate as requested by attorneys for petitioners; a student may participate on behalf of respondents as requested by respondent's counsel.

The term "supervision" as used in this Rule means the presence in Court during the student's participation of the attorney requesting his or her services, unless such attorney's absence is expressly authorized by the party whom he or she represents, the student, and the Judge.

The Judge before whom a student is participating may, at any time and with or without cause and for any reason, revoke the authorization established by this Rule.

Rule 83.7 Professional Conduct and Attorney Discipline

(a) **Standards for Professional Conduct.** Attorneys admitted to practice in this Court shall be bound by the ethical standards of the Ohio Rules of Professional Conduct adopted by the Supreme Court of the State of Ohio, so far as they are not inconsistent with federal law (see LR 83.5(b) and (f)).

(b) **Failure to Comply.**

(1) For misconduct defined in this Rule, and for good cause shown, and after notice and opportunity to be heard, any attorney admitted to practice before this Court may be subjected to such disciplinary action as the circumstances warrant.

(2) Acts or omissions by an attorney admitted to practice before this Court, individually or in concert with any other person or persons, which violate the Ohio Rules of Professional Conduct adopted by this Court shall constitute misconduct and shall be grounds for discipline, whether or not the act or omission occurred in the course of an attorney-client relationship.

(c) **Attorneys Specially Admitted.** Whenever an attorney applies to be admitted or is admitted to this Court for purposes of a particular proceeding (pro hac vice), the attorney shall be deemed thereby to have conferred disciplinary jurisdiction upon this Court for any alleged professional misconduct of that attorney.

(d) **Disciplinary Proceedings.**

(1) When misconduct or allegations of misconduct which, if substantiated, would warrant discipline on the part of an attorney admitted to practice before this Court come to the attention of a Judge of this Court, whether by complaint or otherwise, and the applicable procedure is not otherwise mandated by this Rule, the Judge shall refer the matter to the Court's Committee on Complaints and Policy Compliance ("the Committee"), with notification to the Clerk of Court, for investigation and the prosecution of a formal disciplinary proceeding or the formulation of such other recommendation as is appropriate.

(2) If the Committee concludes after investigation, review and findings that a formal disciplinary proceeding should not be initiated against the respondent-attorney, the Committee shall make a written recommendation to the Court for disposition of the matter by dismissal, admonition, referral, or otherwise.

(3) To initiate formal disciplinary proceedings, the Committee shall issue by regular U.S. mail an order of this Court requiring the respondent-attorney to show cause as noticed why the attorney should not be disciplined.

(4) Upon the respondent-attorney's answer to the order to show cause, if any issue of fact is raised or the respondent-attorney wishes to be heard in mitigation, the matter shall be set for hearing before the Committee, provided, however, that if the disciplinary proceeding is predicated upon the complaint of a judge of this Court who is a member of the Committee, that judge shall not participate in such hearing or in any action of this Court relative to said respondent-attorney.

(5) After a disciplinary proceeding, the Committee shall make a written recommendation to the Court for disposition, including, but not limited to, suspension from practice before this Court, reprimand, censure, restitution of funds, satisfactory completion of educational programs, compliance with treatment programs, assignment of a mentor, and community service.

(6) Counsel appointed pursuant to the authority set forth in section (f) of this Rule, *Discipline Imposed By Other Courts*, shall have the authority to investigate, prosecute before the Committee and otherwise assist the Committee in any matters involving a respondent-attorney.

(e) Attorneys Convicted of, Pleading Guilty or Nolo Contendere to Crimes.

(1) Serious Crimes

(a) If an attorney admitted to practice before this Court is found guilty by verdict at trial in any Court of record, or enters a plea of guilty or nolo contendere, to a serious crime, as herein after defined, the Chief Judge, on behalf of this Court, shall immediately enter an order of interim suspension of that attorney, regardless of the pendency of any appeal, until final disposition of a disciplinary proceeding to be commenced upon such conviction. A copy of such order shall be served upon the attorney by regular U.S. mail. Upon good cause shown, the Court may set aside such order when it appears in the interest of justice to do so.

(b) The Court shall, in addition to ordering an interim suspension of that attorney, refer the matter to the Committee on Complaints and Policy Compliance for the institution of a disciplinary proceeding on behalf of the Court. The sole issue to be determined shall be the extent of the final discipline to be imposed. A disciplinary proceeding so instituted will not be brought to final hearing until all appeals from the conviction are concluded.

(2) Other Crimes

If an attorney admitted to practice before this Court is found guilty by verdict at trial in any Court of record, or enters a plea of guilty or nolo contendere

to a crime not constituting a serious crime, the Court may refer the matter to the Committee on Complaints and Policy Compliance for whatever action the Committee deems warranted, including the institution of a disciplinary proceeding.

(3) The term “serious crime” shall include, but not be limited to, any felony and any lesser crime a necessary element of which, as determined by the statutory or common law definition of such crime in the jurisdiction where the judgment was entered, involves false swearing, misrepresentation, fraud, tax evasion, willful failure to file income tax returns, deceit, bribery, extortion, misappropriation, theft, or an attempt or a conspiracy or solicitation of another to commit a “serious crime.”

(4) A certified copy of an official document from any Court of record indicating that the Court has found an attorney guilty by verdict or trial, or has accepted a plea of guilty or nolo contendere, for any crime shall be conclusive evidence of the commission of that crime in any disciplinary proceeding instituted against that attorney.

(5) An attorney suspended under the provisions of this Rule will be reinstated upon the filing of a certificate demonstrating that the underlying conviction of a serious crime has been reversed. However, the reinstatement will not terminate any disciplinary proceeding then pending against the attorney.

(f) Discipline Imposed By Other Courts.

(1) Any attorney admitted to practice before this Court shall, upon being subjected to public discipline by any other Court of record, promptly inform the Clerk of this Court of such action. If the Committee becomes aware of any public discipline to which any attorney admitted to practice before this Court is subjected, the Committee shall inform the Clerk of this Court.

(2) Upon the filing of a certified or exemplified copy of a judgment or order demonstrating that an attorney admitted to practice before this Court has been disciplined by another Court, this Court shall issue by regular U.S. mail a notice directed to the attorney containing:

(A) a copy of the judgment or order from the other Court; and

(B) an order to show cause directing that the attorney inform this Court within 30 days after service of that order upon the attorney, personally or by mail, of any claim by the attorney, predicated upon the grounds set forth in (3) hereof that the imposition of the identical discipline by the Court would be unwarranted and the reasons therefor. If any issue of fact is raised, the matter shall be set for hearing before the Committee.

(3) This Court shall impose the identical discipline unless this Court finds that from the face of the record upon which the discipline in another jurisdiction is predicated, it clearly appears:

(A) that the procedure was so lacking in notice or opportunity to be heard as to constitute a deprivation of due process; or

(B) that there was such an infirmity of proof establishing the misconduct as to give rise to the clear conviction that this Court could not, consistent with its duty, accept as final the conclusion on that subject; or

(C) that the imposition of the same discipline by this Court would result in grave injustice.

Where this Court determines that any of said elements exist, it shall enter such other order as it deems appropriate.

(4) In all other respects, a final adjudication in another Court that an attorney has been guilty of misconduct shall establish conclusively the misconduct for purposes of a disciplinary proceeding in this Court.

(5) This Court, acting through the Committee, may at any stage appoint counsel to prosecute the disciplinary proceedings.

(g) Disbarment on Consent or Resignation in Other Courts.

(1) Any attorney admitted to practice before this Court who is disbarred on consent or resigns from the bar of any other Court of record while an investigation into allegations of misconduct is pending shall be stricken from the roll of attorneys admitted to practice before this Court upon the filing of a certified or exemplified copy of the judgment or order or upon notification by the attorney.

(2) It is the duty of any attorney admitted to practice before this Court who is disbarred on consent, or resigns from the bar of any other Court of record while an investigation into allegations of misconduct is pending, to notify the Clerk of this Court of such disbarment.

(h) Disciplinary Action on Consent While Under Disciplinary Investigation or Prosecution.

(1) Any attorney admitted to practice before this Court who is the subject of an investigation into, or a pending proceeding involving, allegations of misconduct may consent to disciplinary action, but only by delivering to the Clerk of this Court an affidavit stating that the attorney desires to consent to disciplinary action and that:

(A) the attorney's consent is freely and voluntarily given; the attorney is not being subjected to coercion or duress; the attorney is fully aware of the implications of so consenting;

(B) the attorney is aware that there is presently pending an investigation or proceeding involving allegations that grounds exist for the attorney's discipline, the nature of which the attorney shall specifically set forth;

(C) the attorney acknowledges that the material facts alleged are true; and

(D) the attorney consents because the attorney knows that if charges were predicated upon the matters under investigation, or if the proceeding were prosecuted, the attorney could not successfully defend himself or herself.

(2) Upon receipt of such affidavit, this Court shall enter an order striking the attorney from the roll of attorneys admitted to practice before this Court.

(i) Reinstatement.

(1) After Suspension. An attorney suspended for three months or less shall be automatically reinstated at the end of the period of suspension upon filing with the Clerk of Court of an affidavit of compliance with the provisions of the order. An attorney suspended for more than three months may not resume practice until reinstated by order of this Court.

(2) Time of Application. A person who has been stricken from the roll of attorneys admitted to practice before this Court due to disbarment may not apply for reinstatement until the expiration of at least five years from the effective date of being removed from the roll of attorneys.

(3) Hearing on Application. Applications for reinstatement under this Rule shall be filed with the Clerk of Court. The attorney's application must include an affidavit stating that the jurisdiction which entered the order of discipline on which this Court based its discipline has reinstated the attorney. Upon receipt of a properly filed application, the Clerk shall refer the application to the Committee which shall schedule a hearing. At the hearing the attorney shall have the burden of demonstrating by clear and convincing evidence that he/she has the moral qualifications, competency and learning in the law required for admission to practice law before this Court and that his/her resumption of the practice of law will not be detrimental to the integrity and standing of the bar or to the administration of justice, or subversive of the public interest. If the disciplinary proceeding which led to the suspension and/or removal from the roll of attorneys

was predicated upon the complaint of a Judge of this Court who is a member of the Committee, that Judge shall not participate in such hearing or in any action of this Court relative to said attorney.

(4) Duty of Counsel. In all proceedings upon an application for reinstatement, cross-examination of the witnesses of the attorney and the submission of evidence, if any, in opposition to the application shall be conducted by members of the Committee, unless the Committee has appointed counsel in which case such cross-examination shall be conducted by that counsel.

(5) Conditions of Reinstatement. If the attorney is found unfit to resume practice in this Court, the application shall be dismissed. If the attorney is found fit to resume practice in this Court, the judgment shall reinstate him/her, provided that the judgment may make reinstatement conditional upon the making of partial or complete restitution to parties harmed by the attorney whose conduct led to the disciplinary action. In addition, if the attorney has been suspended and/or removed from the roll of attorneys for two years or more, reinstatement is conditioned upon the attendance of the attorney at a Federal Court Practice Seminar. If the attorney has been suspended and/or removed from the roll of attorneys for five years or more, reinstatement may be conditioned upon furnishing proof of competency and learning in the law, which proof may include certification by the bar examiners of a state or other jurisdiction of the attorney's successful completion of an examination for admission to practice subsequent to the date of suspension or disbarment.

(6) Successive Applications. No application for reinstatement under this Rule shall be filed within one year following an adverse judgment upon an application for reinstatement filed by or on behalf of the same attorney.

(j) Appointment of Counsel. Whenever counsel is to be appointed pursuant to this Rule to investigate allegations of misconduct or prosecute disciplinary proceedings or in conjunction with a reinstatement application filed by a disciplined attorney, this Court or the Committee may appoint as counsel the disciplinary agency of the Supreme Court of Ohio or other state or local disciplinary agency having jurisdiction. If no such disciplinary agency exists or such disciplinary agency declines appointment, or if the Committee determines it more appropriate, the Committee may appoint as counsel one or more members of the Bar of this Court to investigate allegations of misconduct or to prosecute disciplinary proceedings under this Rule, provided, however, that the respondent-attorney may move to disqualify an attorney so appointed who is or has been engaged as an adversary of the respondent-attorney in any matter. Counsel, once appointed, may not resign unless permission to do so is given by this Court.

(k) Service. Service of orders, notices or any other papers shall be made by regular U.S. mail addressed to the respondent-attorney at the last known office address of the respondent-attorney. Any attorney admitted to practice before this Court who fails to comply with LR 83.5(i) and LCrR 57.5(i), which require the submission of a written

notice of a change of business address and/or email address to the Clerk upon a change of address, makes the Clerk of Court his or her agent for the service of any notice provided in any disciplinary matter proceeding before this Court.

(l) **Public Record.** The general order imposing disciplinary action or reinstating an attorney shall be a matter of public record. All other records pertaining to attorney disciplinary action(s), which are not already public records, shall not be publicly disclosed or made available for use in any other proceeding except upon order of this Court.

(m) **Jurisdiction.** Nothing contained in this Rule shall be construed to deny to this Court such powers as are necessary for the Court to maintain control over proceedings conducted before it, such as proceedings for contempt under Title 18 of the United States Code or under Rule 42 of the Federal Rules of Criminal Procedure.

(n) **Applicability.** This Rule shall apply only to disciplinary actions initiated on or after April 4, 2011.

(See LCrR 57.7)
