1. Technical Specifications for E-filing

a. Minimum requirements

- i. Computer.
- ii. Word Processing software with the ability to convert documents to PDF format.
- iii. High-speed Internet access, or an Internet dial-up line with a minimum of 56K. DSL or cable is preferred for better access speed.

(1) CM/ECF may “time out” during the filing process if you’re filing extremely large documents and your internet access is not fast enough.

b. Scanning Specifications

- i. Scanned documents: The scanner should be configured no finer than 300 dpi (dots per inch) and black and white rather than color scanning for imaging non-computerized documents.
- ii. Scanning photographs: When photographs are not available digitally, they should be scanned using a color setting on your scanner rather than scanning them in black and white.
- iii. If for any reason a document cannot be easily viewed after scanning and e-filing, the filing party will be instructed to re-scan and e-file the document. If the issue cannot be resolved by re-scanning, the party will be asked to conventionally file the document within a specified period of time.
- iv. Documents larger than 10 megabytes must be split up into 10 megabyte segments and e-filed as attachments, properly naming each attachment.

c. Web Browser

- i. CM/ECF has been tested and works with any version of Firefox and Internet Explorer 7.x and 8.x only.

2. Access to Electronic Records

a. Public access at the Clerk's Office

- i. Access to the electronic record is available for all parties and the public at each divisional office of the District Court during regular business hours.
- ii. A copy fee for an electronic reproduction is required.
 - (1) Certified copies may also be purchased.
 - (a) See the Court's website www.mtd.uscourts.gov for fee schedule.

b. Internet Access

i. CM/ECF user access:

- (1) Only registered users may e-file in CM/ECF.
- (2) Registered users who are parties to a case will receive e-mail notification of a filing and the e-filed document in their e-mail accounts. The e-mail notification is referred to as an NEF.
- (3) Parties are encouraged to view and/or download filings at the time of the notification to avoid future PACER fees.
- (4) A party to a case who remotely accesses a document after the initial notification of filing will be charged the applicable access fee.

ii. PACER access

- (1) Remote access to view the electronic record is limited to subscribers to the PACER system.
- (2) Please see the PACER website at www.pacer.gov for details on access fees.

3. Availability

- a. CM/ECF is designed to provide service 24 hours per day, seven days per week.
- b. Conventional filing: The Clerk's Office is open for conventional filing Monday through Friday, 8 a.m. to 5 p.m., except federal holidays.
- c. Help Desk: The help desk is available Monday through Friday, excluding legal holidays, from 8:00 a.m. to 5:00 p.m. Parties are encouraged to e-file during those hours in the event assistance is needed.

4. Electronic Filing Generally

- a. Authorization (L.R. 1.4, Fed.R.Civ.P. 5(d)(3), and Fed.R.Crim.P.57)
 - i. To the greatest extent possible, the record of each case, including exhibits, will be maintained in ECF and available to remote public access.
 - ii. Local Rule 1.4(b) directs all attorneys and self-represented litigants to follow the guidance of the Clerk's Office to facilitate electronic filing and to make the record legible and complete. This Administrative Procedures Manual is designed to provide such guidance.
 - iii. With a few exceptions, all documents filed after November 7, 2005 are available electronically.
- b. Definitions
 - i. Administrative Procedures Manual
 - (1) Procedures and instructions for using the Court's filing system, both electronic and conventional; can be found on the Court's website, www.mtd.uscourts.gov.
 - ii. CM/ECF
 - (1) CM: Case Management portion of the electronic filing system used by the Clerk's Office to maintain the electronic record.
 - (2) ECF: Electronic Case Files refers to the Court's electronic filing system and the cases maintained therein.
 - iii. Conventional Filer
 - (1) Those filers who are not registered to file electronically.
 - iv. ECF User or Registered User
 - (1) A person who is registered to e-file in the electronic case files.
 - v. Electronic Filing
 - (1) Uploading a document directly from the registered user's computer to the

Court's CM/ECF system.

- (a) Sending a document to the Court via e-mail does not constitute electronic filing.

vi. Conventional Filing

- (1) Hard copy documents or other items that are submitted to the Clerk's Office for filing because

- (a) The filer is a conventional filer; or
- (b) The document or item is unable to be scanned and filed electronically.

vii. Document

- (1) Includes pleadings, motions, exhibits, declarations, affidavits, memoranda, papers, orders, notices, and any other filing by or to the Court.

viii. Internet Service Provider or ISP

- (1) Refers to the entity/company registered users use to connect to the internet.

- (2) The NEF will appear in your e-mail in-box from sender MT_CMECF and the subject line will be "Activity in Case" followed by the case number and case name, e.g., Activity in Case 4:08-cv-8000, Jones v. James. Do not delete these e-mails without reviewing them first.
- (3) If an NEF is received, single click on the document number to download it. If you double click on the document number, PACER will not allow free access.

x. Portable Document Format or PDF

- (1) Allows anyone to open the converted document across a broad range of

hardware and software, with layout, format, links, and images intact. CM/ECF will only accept PDF and PDF/A documents.

- (2) PDF/A is a standard document format that allows for the long-term archiving of electronic documents, assuring that documents will be accessible in the future.
- (3) When using a fillable PDF, be sure to flatten the file by printing the document to PDF, rather than saving the file, before e-filing the document. This ensures that the document cannot be edited when downloaded. This process will also decrease the file size significantly.
- (4) Please call the CM/ECF Help Desk at (866) 463-4052 for assistance with flattening a file.

xi. System

- (1) Used to reference the Case Management Electronic Case Files (CM/ECF) system adopted and implemented by the District Court.

 - (1) 1 = Billings Division
 - (2) 2 = Butte Division
 - (3) 4 = Great Falls Division
 - (4) 6 = Helena Division

g. Conventional Filing

- i. When an attorney is unable to file electronically in a case, he or she must seek an exemption by filing a Motion for Leave to File Conventionally in This Case, L.R. Form G. Exemption must be sought in each case in which the attorney participates. L.R. 1.4(c).

- vi. Redaction of Personal Identifiers from Transcripts of Proceedings
 - (1) See the Court's website (www.mtd.uscourts.gov) for procedures regarding deadlines for redacting personal identifiers from transcripts. There are several deadlines that parties must be aware of when transcripts are filed electronically.

a. Sealed/Ex Parte/Restricted Documents

i. Sealed documents are:

- (1) Not available to the public.
- (2) Always available to the Court.
- (3) May be accessible to all parties or only to the filing party.

 - (a) Click **once** on the docket number (NOT the case number) in the NEF. Double clicking on the document number will prevent access to the document and you will have to contact the Clerk's Office for guidance.
 - (b) A login screen will appear. Enter the CM/ECF login and password **of the counsel of record.**

b. Civil Cases

i. Under L.R. 5.1(b), there is no need to file a Motion for Leave to File under Seal, if

 - (6) Use the event **In Camera Document**, when you intend to file documents that are preauthorized to be filed under seal but that should not be accessible to anyone other than the filing party.
 - (a) Link the filing to the applicable motion, if it is motion-related
 - (b) Describe the documents filed under seal in the space provided, taking care to not divulge the purpose of sealing the document. The docket text will be available in the public record, although the documents themselves will not accessible by the public.

- (1) The event itself, Motion for Leave to File under Seal, is not sealed.
 - (1) After e-filing the Motion for Leave to File under Seal, immediately e-file the proposed sealed document as the next document in the case using the **Lodged Sealed Document** event, linking back to the Motion for Leave to File under Seal.
 - (2) The filing party will be responsible for conventionally serving a hard copy of the sealed document on all necessary parties, unless ex parte filing is authorized.
 - (3) When the Motion for Leave to File under Seal is granted, the “Lodged” sealed document is deemed filed in the record. The attorney is not

required to file the sealed document again.

- (4) If a judge orders that a document be redacted rather than sealed, you must e-file the redacted document using the event **Redacted Document** under **Other Documents**.

iii. Conventionally filed sealed documents must be placed in an envelope with the case number, date, and "Filing Under Seal Requested" clearly printed on the envelope.

iv. Motions for Protective Order, L.R. 26.4

- (1) The Motion for Protective Order shall be filed in the public record.

- (2) If you wish to accompany a Motion for Protective Order with documents for *in camera* review, prepare a cover sheet for the documents, including in the caption the phrase "FILED UNDER SEAL, L.R. 5.1(b), 26.4".

- (a) E-file the documents using the event **In Camera Document** and link it to the Motion for Protective Order.

- (3) File the brief in support of the motion in the public record.

- (4) If you wish to file a supplemental brief in support of the motion in accordance with L.R. 26.4(a)(3), e-file it using the event **Exparte Brief/Memorandum in Support**.

- (5) If you have received leave to file a redacted document subject to a protective order, you may either attach it to your brief or e-file it separately using the event **Redacted Document** under **Other Documents** and linking it to the motion, if it is motion related.

- iii. Upon leave of court, the Clerk's Office will enter your appearance as an amicus party and your brief can then be e-filed.

d. Other conventionally filed motions.

- i. If a nonparty seeks relief in a case, e.g., to quash a subpoena, the moving papers must be filed conventionally with the Clerk, signed with a conventional signature, and served conventionally on the parties to the case.
- ii. The Clerk will enter your appearance as an interested party, and any remaining papers can then be e-filed.

- e. Motion to Appear Pro Hac Vice (L.R. 83.1(c))
 - i. You must file one pro hac vice motion for each attorney requesting leave of court to proceed pro hac vice. CM/ECF will only allow one filing fee of \$250 per motion.
 - ii. If the Court grants permission to appear pro hac vice, the attorney must immediately register to become a registered user in the District of Montana. The Clerk’s Office will not serve by mail any non-registered attorney who has not obtained an exemption under L.R. 1.4(c)(1).
 - iii. See the Registration section of this manual for information regarding registering with the District of Montana (L.R. 1.4(c)).
- f. Unopposed Motions (L.R. 7.1(c) and L.R. CR 47.1)
 - i. The word “unopposed” must appear in the title of all unopposed motions.
 - ii. A proposed order is required with a motion for extension of time or with an unopposed motion.
 - (1) The proposed order must be attached to the motion as an exhibit (in PDF format) with “Text of Proposed Order” selected from the Category drop-down menu.
 - (2) The proposed order should be e-mailed (in WordPerfect or Word, or a compatible program) to the judge’s e-mail address for proposed orders. Omit macros or special coding in formatting other than appropriate citation format.
 - (3) Proposed Order e-mail addresses:
 - (a) Judge Watters: spw_propord@mtd.uscourts.gov
 - (b) Judge Molloy: dwm_propord@mtd.uscourts.gov
 - (c) Judge Christensen: dlc_propord@mtd.uscourts.gov
 - (d) Judge Haddon: seh_propord@mtd.uscourts.gov

 - (j) These e-mail addresses are not to be used to communicate with the Court unless otherwise permitted or when communications are solicited by the Court.
- g. Briefs (L.R. 7.1(d)(2) and L.R. CR 47.2)
- i. Support Brief
 - (1) A motion must be accompanied by a supporting brief.
 - (2) The support brief must be filed separately from the motion and linked back to the related motion.
 - ii. Parties are encouraged to file response and reply briefs as separate documents.
 - (1) Use the events under the Responses and Replies category.
 - iii. Link all briefs and any separately filed supporting documents to the relevant motion so that all materials pertinent to the motion appear on the Judge's CM Motions Report.
 - iv. Time for Filing (L.R. 7.1(d)(1), L.R. CR 47.2(a) and Fed.R.Civ.P. 6(d)).
 - (1) The time for filing response and reply briefs is calculated in multiples of seven. All weekends and holidays are counted.
 - (2) Three days will no longer be added to the time for filing response and reply briefs because the time period begins to run upon the **filing** of motions or briefs.
 - v. Refer to L.R. 7.1 and L.R. CR 47.1 and 47.2 for other briefing requirements including, but not limited to, length of briefs and tables of contents.
- h. Exhibits and Attachments (L.R. 7.2, L.R. 1.4(d) and L.R. CR 47.3)

- i. Exhibits e-filed as attachments to documents must be identified so as to allow the Court, the parties and the public easy access to a specific exhibit. Use a short descriptive name when prompted for a description, for example: Range Rover Vehicle Registration or, alternatively, Exhibit A - Range Rover Vehicle Registration.
 - (1) If you select a Category from the drop down box, there is no need to text in the selected category in the Description Box. For example, when e-filing Exhibit A - Range Rover Vehicle Registration, select Exhibit from the Category box and text in A - Range Rover Vehicle Registration in the Description box.
- ii. See § 4.g.iv. for directions on conventionally filing exhibits.
- iii. Anything larger than 10 megabytes shall be e-filed and attached in 10 megabyte segments.
- iv. Preferences for Judge Haddon and Judge Strong

 - (2) If you forget to attach your exhibits to a document that is not a motion, prepare an Amended Document with the correct exhibits attached and e-file using the event “Amended Document (NOT motion)” found under Other Documents.
- v. Preferences for all other judges
 - (1) If you forget to file your exhibits with a particular document, DO NOT E-FILE AN AMENDED DOCUMENT. Instead, prepare a Notice of Filing Exhibits and e-file it with the exhibits attached under “Other Filings”, Notices”, “Notice of Filing Exhibits”. Link the Notice of Filing Exhibits back to the originally e-filed document and, if the exhibit is motion related, to the applicable motion.
 - (2) Contact divisional Clerk’s Office to see if chambers requires a courtesy copy of any document over 20 pages.

- i. Hyperlinks (L.R. 1.5)
 - i. Hyperlinks to cited authority will be considered no more than a convenient mechanism for accessing material cited in the document.
 - ii. The hyperlink will be extraneous and will not be considered a part of the Court's record.
 - iii. Hyperlinks should not be used to circumvent word count limitations.
- j. Findings and Recommendations of USMJ

i. Complaints and Other Initiating Documents

- (1) Complaints and other initiating documents can be filed electronically before a case is opened using the shell case.
 - (a) It's recommended that you view the electronic learning module on the Court's website (www.mtd.uscourts.gov/cmecf.htm) for instructions on e-filing in a shell case. Filers can use the shell case when e-filing any type of initiating document. The electronic learning module and the "Overview for E-filing Complaints" (also on the Court's website) will supply the e-filer with complete instructions relating to filing Complaints and Notices of Removal.
 - (b) Use the appropriate Division's shell case to file initial pleadings with the Court.
 - (i) Billings: 1:08-CV-8000
 - (ii) Butte: 2:08-CV-8000
 - (iii) Great Falls: 4:08-CV-8000
 - (iv) Helena: 6:08-CV-8000
 - (v) Missoula: 9:08-CV-8000
 - (c) When filing an initiating document in the shell case, it's advantageous for the filer to pay online with a credit card. This will allow the e-filer 24-hour access to file Complaints and Notices of Removal. A filer who elects to pay the filing fee with a check, money order, or cash must wait for the Clerk's Office to contact them with a receipt number before filing the document.
 - (d) During regular business hours, the Clerk's Office will view the shell case, assign a judge, issue a case number, and file the initiating document(s) from the shell case accordingly. Once the clerk e-files all the documents into the new case, the parties will receive an NEF of their documents. Displayed on the header will be all the information including case number, judge and original date the initiating documents(s) were filed.
- (2) Complaints filed without using the shell case

- (a) Complaints may be filed conventionally by delivering the initiating documents and the filing fee to the Clerk's Office. All documents filed conventionally must bear conventional signatures.

- (4) Motions and other requests directed to the State Court are automatically terminated upon removal.

b. Social Security Cases

- i. These cases are restricted to court users, case participants, and public terminal users.
- ii. Because there is a special restriction applied to these cases, follow these steps to view filed documents.

 - (2) A login screen will appear. Enter the CM/ECF login and password, NOT the login and password to PACER.

 - (1) Complaint (which shall be considered "lodged").

- (4) Once the Order granting the motion for IFP is filed, the Clerk's Office will download the Complaint and e-file it as of the date of the Motion to Proceed IFP. (L.R. 3.1(d)(2)). The Clerk's Office will arrange for service of the Complaint upon the government, unless the Order granting IFP states otherwise.
- c. Summons and Service of Process (L.R. 4.1 and Fed.R.Civ.P.4)
 - i. The filing party may attach an unissued summons as an exhibit to the Complaint. After the summons is issued, the Clerk's Office will return it to the party via U.S. Mail.
 - ii. A summons can be issued at a later date by delivering the original to the Clerk's Office. The Clerk's Office will issue the summons, return the original, and e-file a copy.
 - d. Signing of Pleadings, Motions and Other Papers (L.R. 11.1)

 - (3) When any hand signature is used, the name of the signer must be printed or typed under the signature line. L.R. 1.5(b).
 - (4) Your login and password serve as a signature for purposes of Rule 11. Therefore, the signature on the document must match the login and password.
 - ii. Signing on Behalf of Another Attorney
 - (1) If someone in your office has asked you to e-file a document for them you must use your own login and password.

- (2) The attorney signing for someone else should not associate themselves to the case when prompted by CM/ECF.

iii. Multiple Signatures (L.R. 11.2)

- (1) No signature page should contain both hand signatures and /s/ electronic form signatures.
- (2) If more than one signature is required, the filing party should file the document

f. Amended Pleadings (L.R. 15.1)
