Endnotes:

1. A Form 11-K annual report for a plan not subject to ERISA is due 90 days after the plan’s fiscal year end. The deadline is 180 days after the plan’s fiscal year end for plans subject to ERISA.
2. If the Form 10-K incorporates information from the proxy statement, the proxy statement must be filed no later than 120 days after the fiscal year end. If the proxy statement is not filed by that deadline, the Form 10-K must be amended to add the Part III information.

Filings submitted after 5:30 pm Eastern Time will receive the next day’s filing date, except for Section 16 filings and filings under Securities Act Rule 462(b) (which receive the actual filing date).
