following:

I.

**NATURE OF THE ACTION** 

Plaintiff Caribe Restaurant & Nightclub, Inc. (d/b/a Laz Luz Ultralounge)

1. Plaintiff Caribe owns and operates La Luz Ultralounge ("La Luz"), a restaurant and nightclub, located in Bonita, California. La Luz has served the San Diego community since 2004. It's existence, however, is now threatened by COVID-19 (a.k.a. the "coronavirus" or "SARS-CoV-2").

- 2. To protect its businesses in the event that it suddenly had to suspend operations for reasons outside of its control, or if it had to act in order to prevent further property damage, Plaintiff purchased insurance coverage from Topa, including special property coverage, as set forth in Topa's Businessowner's Business Income (and Extra Expense) Coverage Form (Form CP 00 30 10 02) ("Special Property Coverage Form").
- Topa's Special Property Coverage Form provides "Business Income" 3. coverage, which promises to pay for loss due to the necessary suspension of operations following loss to property.
- Topa's Special Property Coverage Form also provides "Civil Authority" coverage, which promises to pay for loss caused by the action of a civil authority that prohibits access to the insured premises.
- 5. Topa's Special Property Coverage Form also provides "Extra Expense" coverage, which promises to pay the expense incurred to minimize the suspension of business and to continue operations.
- 6. Topa's Special Property Coverage Form, under a section entitled "Duties in the Event of Loss" mandates that Topa's insured "must see that the following are done in the event of loss. . . [t]ake all reasonable steps to protect the

- 1 -

Covered Property from further damage and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim."

This is commonly referred to as "Sue and Labor" coverage.

- 7. Unlike many policies that provide Business Income coverage (also referred to as "business interruption" coverage), Topa's Special Property Coverage Form does not include, and is not subject to, any exclusion for losses caused by the spread of viruses or communicable diseases.
- 8. Plaintiff was forced to suspend or reduce business at La Luz due to COVID-19 and the resultant closure orders issued by civil authorities in California.
- 9. Upon information and belief, Topa has, on a widescale and uniform basis, refused to pay its insureds under its Business Income, Civil Authority, Extra Expense, and Sue and Labor coverages for losses suffered due to COVID-19, any orders by civil authorities that have required the necessary suspension of business, and any efforts to prevent further property damage or to minimize the suspension of business and continue operations. Indeed, Topa has denied Plaintiff's claim under its Topa policy.

### II. JURISDICTION AND VENUE

- 10. This Court has jurisdiction over this action pursuant to 28 U.S.C. § 1332, because Defendant and at least one member of the Class are citizens of different states and because: (a) the Class consists of at least 100 members; (b) the amount in controversy exceeds \$5,000,000 exclusive of interest and costs; and (c) no relevant exceptions apply to this claim.
- 11. Venue is proper in this District under 28 U.S.C. § 1391, because Defendant resides in this District and a substantial portion of the acts and conduct giving rise to the claims occurred within the District.

### III. THE PARTIES

### **Plaintiff**

12. Plaintiff Caribe is a California corporation, with its principal place of business in Bonita, California. Caribe owns and operates La Luz nightclub in Bonita.

### Defendant

13. Defendant Topa is an insurance company organized under the laws of the State of California, with its principal place of business in Calabasas, California. It is authorized to write, sell, and issue insurance policies providing property and business income coverage in California. At all times material hereto, Topa conducted and transacted business through the selling and issuing of insurance policies within California, including, but not limited to, selling and issuing property coverage to Plaintiff.

#### IV. FACTUAL BACKGROUND

### A. The Special Property Coverage Form

- 14. In return for the payment of a premium, Topa issued Policy No. PC-6606802 to Plaintiff for a policy period of May 18, 2019 to May 18, 2020, including a Businessowners Special Property Coverage Form. Policy No. PC-6606802 is attached hereto as Exhibit A. Plaintiff has performed all of its obligations under Policy No. PC-6606802, including the payment of premiums. The Covered Property, with respect to the Special Property Coverage Form, is the La Luz Ultralounge at 5080 Bonita Road, Bonita, California 91902.
- 15. In many parts of the world, property insurance is sold on a specific peril basis. Such policies cover a risk of loss if that risk of loss is specifically listed (e.g., hurricane, earthquake, H1N1, etc.). Most property policies sold in the United States, however, including those sold by Topa, are all-risk property damage policies. These types of policies cover all risks of loss except for risks that are expressly and specifically excluded. In the Special Property Coverage Form provided to Plaintiff,

- 16. In the policy, Topa did not exclude or limit coverage for losses from the spread of viruses. The policy only contains an exclusion for so-called "NBCR Activity," defined as an act involving the use, alleged use, threatened use, or dissemination of a "Nuclear, Biological, Bio-Chemical, Chemical or Radioactive agent, substance, material, device or weapon." This exclusion applies to intentional acts taken to cause the dissemination of biological weapons or agents (or acts taken to hinder such intentional acts), not the natural spread of a virus.
- 17. Losses due to COVID-19 are a Covered Cause of Loss under Topa policies with the Special Property Coverage Form.
- 18. In the Special Property Coverage Form, Topa agreed to pay for its insureds' actual loss of Business Income sustained due to the necessary suspension of its operations during the "period of restoration" caused by direct physical loss or damage. A "slowdown or cessation" of business activities at the Covered Property is a "suspension" under the policy, for which Topa agreed to pay for loss of Business Income during the "period of restoration" that begins within 72 hours after the time of direct physical loss or damage.
- 19. "Business Income" means net income (or loss) before tax that Plaintiff and the other Class members would have earned "if no physical loss or damage had occurred" as well as continuing normal operating expenses incurred.
- 20. The presence of virus or disease can constitute physical damage to property, as the insurance industry has recognized since at least 2006. When preparing so-called "virus" exclusions to be placed in some policies, but not others, the insurance industry drafting arm, ISO, circulated a statement to state insurance regulators that included the following:

Disease-causing agents may render a product impure (change its quality or substance), or enable the spread of disease by their presence on interior building surfaces or the surfaces of personal property. When disease-causing

viral or bacterial contamination occurs, potential claims involve the cost of replacement of property (for example, the milk), cost of decontamination (for example, interior building surfaces), and business interruption (time element) losses. Although building and personal property could arguably become contaminated (often temporarily) by such viruses and bacteria, the nature of the property itself would have a bearing on whether there is actual property damage. An allegation of property damage may be a point of disagreement in a particular case.

- 21. In the Special Property Coverage Form, Topa also agreed to pay necessary Extra Expense that its insureds incur during the "period of restoration" that the insureds would not have incurred if there had been no direct physical loss or damage to the Covered Property.
- 22. "Extra Expense" includes expenses to avoid or minimize the suspension of business, continue operations, and to repair or replace property.
- 23. Topa also agreed to "pay for the actual loss of Business Income" that Plaintiff sustains "and any Extra Expense caused by action of civil authority that prohibits access to" the Covered Property when a Covered Cause of Loss causes damage to property near the Covered Property, the civil authority prohibits access to property immediately surrounding the damaged property, the Covered Property is within the prohibited area,, and the civil authority action is taken "in response to dangerous physical conditions."
- 24. Topa's Special Property Coverage Form, under a section entitled "Duties in the Event of Loss" mandates that Topa's insured "must see that the following are done in the event of loss. . . [t]ake all reasonable steps to protect the Covered Property from further damage and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim." This is commonly referred to as "Sue and Labor" coverage.
- 25. Losses caused by COVID-19 and the related orders issued by local, state, and federal authorities triggered the Business Income, Extra Expense, Civil Authority, and Sue and Labor provisions of the Topa policy.

#### B. The Covered Cause of Loss

26. The presence of COVID-19 has caused civil authorities throughout the country to issue orders requiring the suspension of business at a wide range of establishments, including civil authorities with jurisdiction over Plaintiff's business (the "Closure Orders").

### 1. The San Diego and California Closure Orders

- 27. On March 16, 2020, San Diego County issued a civil authority order requiring the closure of bars in San Diego County and banning dine-in eating in San Diego County. This order has been in effect since March 16, 2020 and is scheduled to remain in effect through at least April 30, 2020.
- 28. On March 19, 2020, the State of California issued a civil authority order requiring the closure of bars in California and banning dine-in eating in California. This order has been in effect since March 19, 2020 and is in effect until further notice.
- 29. The San Diego County and State of California Closure Orders were issued in response to the rapid spread of COVID-19 throughout California.
- 30. Violations of the San Diego County and State of California Closure Orders are punishable by fine, imprisonment, or both.

### 2. The Impact of COVID-19 and the Closure Orders

- 31. The presence of COVID-19 caused direct physical loss of or damage to the covered property under the Plaintiff's policies, and the policies of the other Class members, by denying use of and damaging the covered property, and by causing a necessary suspension of operations during a period of restoration.
- 32. The Closure Orders, including the issuance of San Diego and California Closure Orders, prohibited access to Plaintiff and the other Class members' Covered Property, and the area immediately surrounding Covered Property, in response to dangerous physical conditions resulting from a Covered Cause of Loss.

- 33. As a result of the presence of COVID-19 and the Closure Orders, Plaintiff and the other Class members lost Business Income and incurred Extra Expense.
- 34. Caribe submitted a claim for loss to Topa under its policy due to the presence of COVID-19 and the Closure Orders, and Topa denied that claim.

### V. <u>CLASS ACTION ALLEGATIONS</u>

- 35. Plaintiff brings this action pursuant to Rules 23(a), 23(b)(1), 23(b)(2), 23(b)(3), and 23(c)(4) of the Federal Rules of Civil Procedure, individually and on behalf of all others similarly situated.
  - 36. Plaintiff seeks to represent nationwide classes defined as:
    - All persons and entities that: (a) had Business Income coverage under a property insurance policy issued by Topa; (b) suffered a suspension of business related to COVID-19, at the premises covered by their Topa property insurance policy; (c) made a claim under their property insurance policy issued by Topa; and (d) were denied Business Income coverage by Topa for the suspension of business resulting from the presence or threat of COVID-19 (the "Business Income Breach Class").
    - All persons and entities that: (a) had Civil Authority coverage under a property insurance policy issued by Topa; (b) suffered loss of Business Income and/or Extra Expense caused by action of a civil authority; (c) made a claim under their property insurance policy issued by Topa; and (d) were denied Civil Authority coverage by Topa for the loss of Business Income and/or Extra Expense caused by a Closure Order (the "Civil Authority Breach Class").
    - All persons and entities that: (a) had Extra Expense coverage under a property insurance policy issued by Topa; (b) sought to minimize the suspension of business in connection with COVID-19 at the premises covered by their Topa property insurance policy; (c) made a claim under their property insurance policy issued by Topa; and

- (d) were denied Extra Expense coverage by Topa despite their efforts to minimize the suspension of business caused by COVID-19 (the "Extra Expense Breach Class").
- All persons and entities that: (a) had a Sue and Labor provision under a property insurance policy issued by Topa; (b) sought to prevent property damage caused by COVID-19 by suspending or reducing business operations, at the premises covered by their Topa property insurance policy; (c) made a claim under their property insurance policy issued by Topa; and (d) were denied Sue and Labor coverage by Topa in connection with the suspension of business caused by COVID-19 (the "Sue and Labor Breach Class").
- All persons and entities with Business Income coverage under a property insurance policy issued by Topa that suffered a suspension of business due to COVID-19 at the premises covered by the business income coverage (the "Business Income Declaratory Judgment Class").
- All persons and entities with Civil Authority coverage under a property insurance policy issued by Topa that suffered loss of Business Income and/or Extra Expense caused by a Closure Order (the "Civil Authority Declaratory Judgment Class").
- All persons and entities with Extra Expense coverage under a property insurance policy issued by Topa that sought to minimize the suspension of business in connection with COVID-19 at the premises covered by their Topa property insurance policy (the "Extra Expense Declaratory Judgment Class").
- All persons and entities with a Sue and Labor provision under a property insurance policy issued by Topa that sought to prevent property damage caused by COVID-19 by suspending or reducing business operations, at the premises covered by their Topa property insurance policy (the "Sue and Labor Declaratory Judgment Class").

- 37. Excluded from each defined Class is Defendant and any of its members, affiliates, parents, subsidiaries, officers, directors, employees, successors, or assigns; governmental entities; and the Court staff assigned to this case and their immediate family members. Plaintiff reserves the right to modify or amend each of the Class definitions, as appropriate, during the course of this litigation.
- 38. This action has been brought and may properly be maintained on behalf of each Class proposed herein under the criteria of Rule 23 of the Federal Rules of Civil Procedure.
- 39. Numerosity—Federal Rule of Civil Procedure 23(a)(1). The members of each defined Class are so numerous that individual joinder of all Class members is impracticable. While Plaintiff is informed and believes that there are thousands of members of each Class, the precise number of Class members is unknown to Plaintiff but may be ascertained from Defendant's books and records. Class members may be notified of the pendency of this action by recognized, Courtapproved notice dissemination methods, which may include U.S. Mail, electronic mail, internet postings, and/or published notice.
- 40. Commonality and Predominance—Federal Rule of Civil Procedure 23(a)(2) and 23(b)(3). This action involves common questions of law and fact, which predominate over any questions affecting only individual Class members, including, without limitation:
  - a. Topa issued all-risk policies to the members of the Class in exchange for payment of premiums by the Class members;
  - b. whether the Class suffered a covered loss based on the common policies issued to members of the Class;
  - c. whether Topa wrongfully denied all claims based on COVID-19;
  - d. whether Topa's Business Income coverage applies to a suspension of business caused by COVID-19;

- 1 2

- e. whether Topa's Civil Authority coverage applies to a loss of Business Income caused by the orders of state governors requiring the suspension of business as a result of COVID-19;
- f. whether Topa's Extra Expense coverage applies to efforts to minimize a loss caused by COVID-19;
- g. whether Topa's Sue and Labor provision applies to require Topa to pay for efforts to reduce damage caused by COVID-19;
- h. whether Topa has breached its contracts of insurance through a blanket denial of all claims based on business interruption, income loss or closures related to COVID-19 and the related closures; and
- i. whether Plaintiff and the Class are entitled to an award of reasonable attorney fees, interest and costs.
- 41. Typicality—Federal Rule of Civil Procedure 23(a)(3). Plaintiff's claims are typical of the other Class members' claims because Plaintiff and the other Class members are all similarly affected by Defendant's refusal to pay under its Business Income, Civil Authority, Extra Expense, and Sue and Labor coverages. Plaintiff's claims are based upon the same legal theories as those of the other Class members. Plaintiff and the other Class members sustained damages as a direct and proximate result of the same wrongful practices in which Defendant engaged.
- 42. Adequacy of Representation—Federal Rule of Civil Procedure 23(a)(4). Plaintiff is an adequate Class representative because their interests do not conflict with the interests of the other Class members who they seek to represent, Plaintiff has retained counsel competent and experienced in complex class action litigation, including successfully litigating class action cases similar to this one, where insurers breached contracts with insureds by failing to pay the amounts owed under their policies, and Plaintiff intends to prosecute this action vigorously. The interests of the above-defined Classes will be fairly and adequately protected by Plaintiff and their counsel.

- 43. Inconsistent or Varying Adjudications and the Risk of Impediments to Other Class Members' Interests—Federal Rule of Civil Procedure 23(b)(1). Plaintiff seeks class-wide adjudication as to the interpretation, and resultant scope, of Defendant's Business Income, Civil Authority, Extra Expense, and Sue and Labor coverages. The prosecution of separate actions by individual members of the Classes would create an immediate risk of inconsistent or varying adjudications that would establish incompatible standards of conduct for the Defendant. Moreover, the adjudications sought by Plaintiff could, as a practical matter, substantially impair or impede the ability of other Class members, who are not parties to this action, to protect their interests.
- 44. **Declaratory and Injunctive Relief—Federal Rule of Civil Procedure 23(b)(2).** Defendant acted or refused to act on grounds generally applicable to Plaintiff and the other Class members, thereby making appropriate final injunctive relief and declaratory relief, as described below, with respect to the Class members.
- 45. Superiority—Federal Rule of Civil Procedure 23(b)(3). A class action is superior to any other available means for the fair and efficient adjudication of this controversy, and no unusual difficulties are likely to be encountered in the management of this class action. Individualized litigation creates a potential for inconsistent or contradictory judgments and increases the delay and expense to all parties and the court system. By contrast, the class action device presents far fewer management difficulties, and provides the benefits of single adjudication, economy of scale, and comprehensive supervision by a single court.
